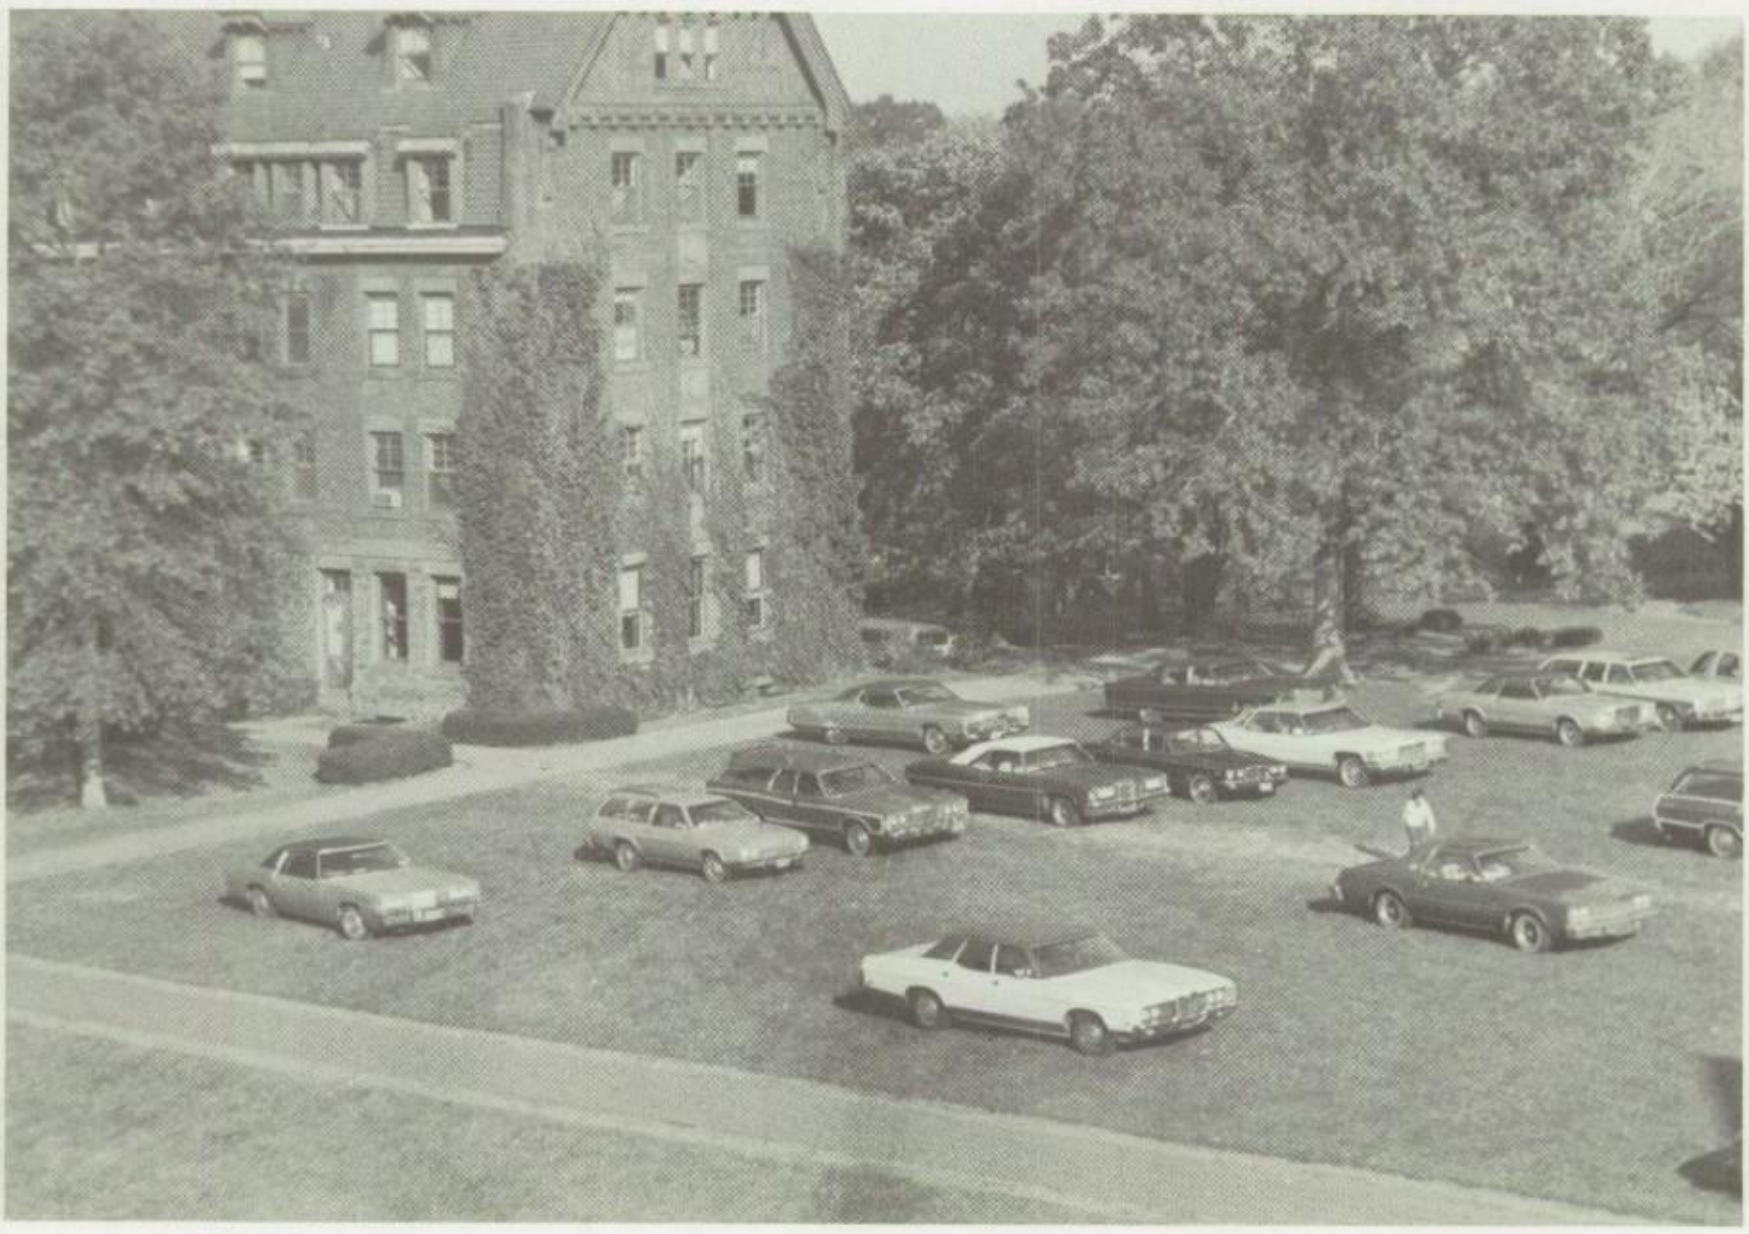
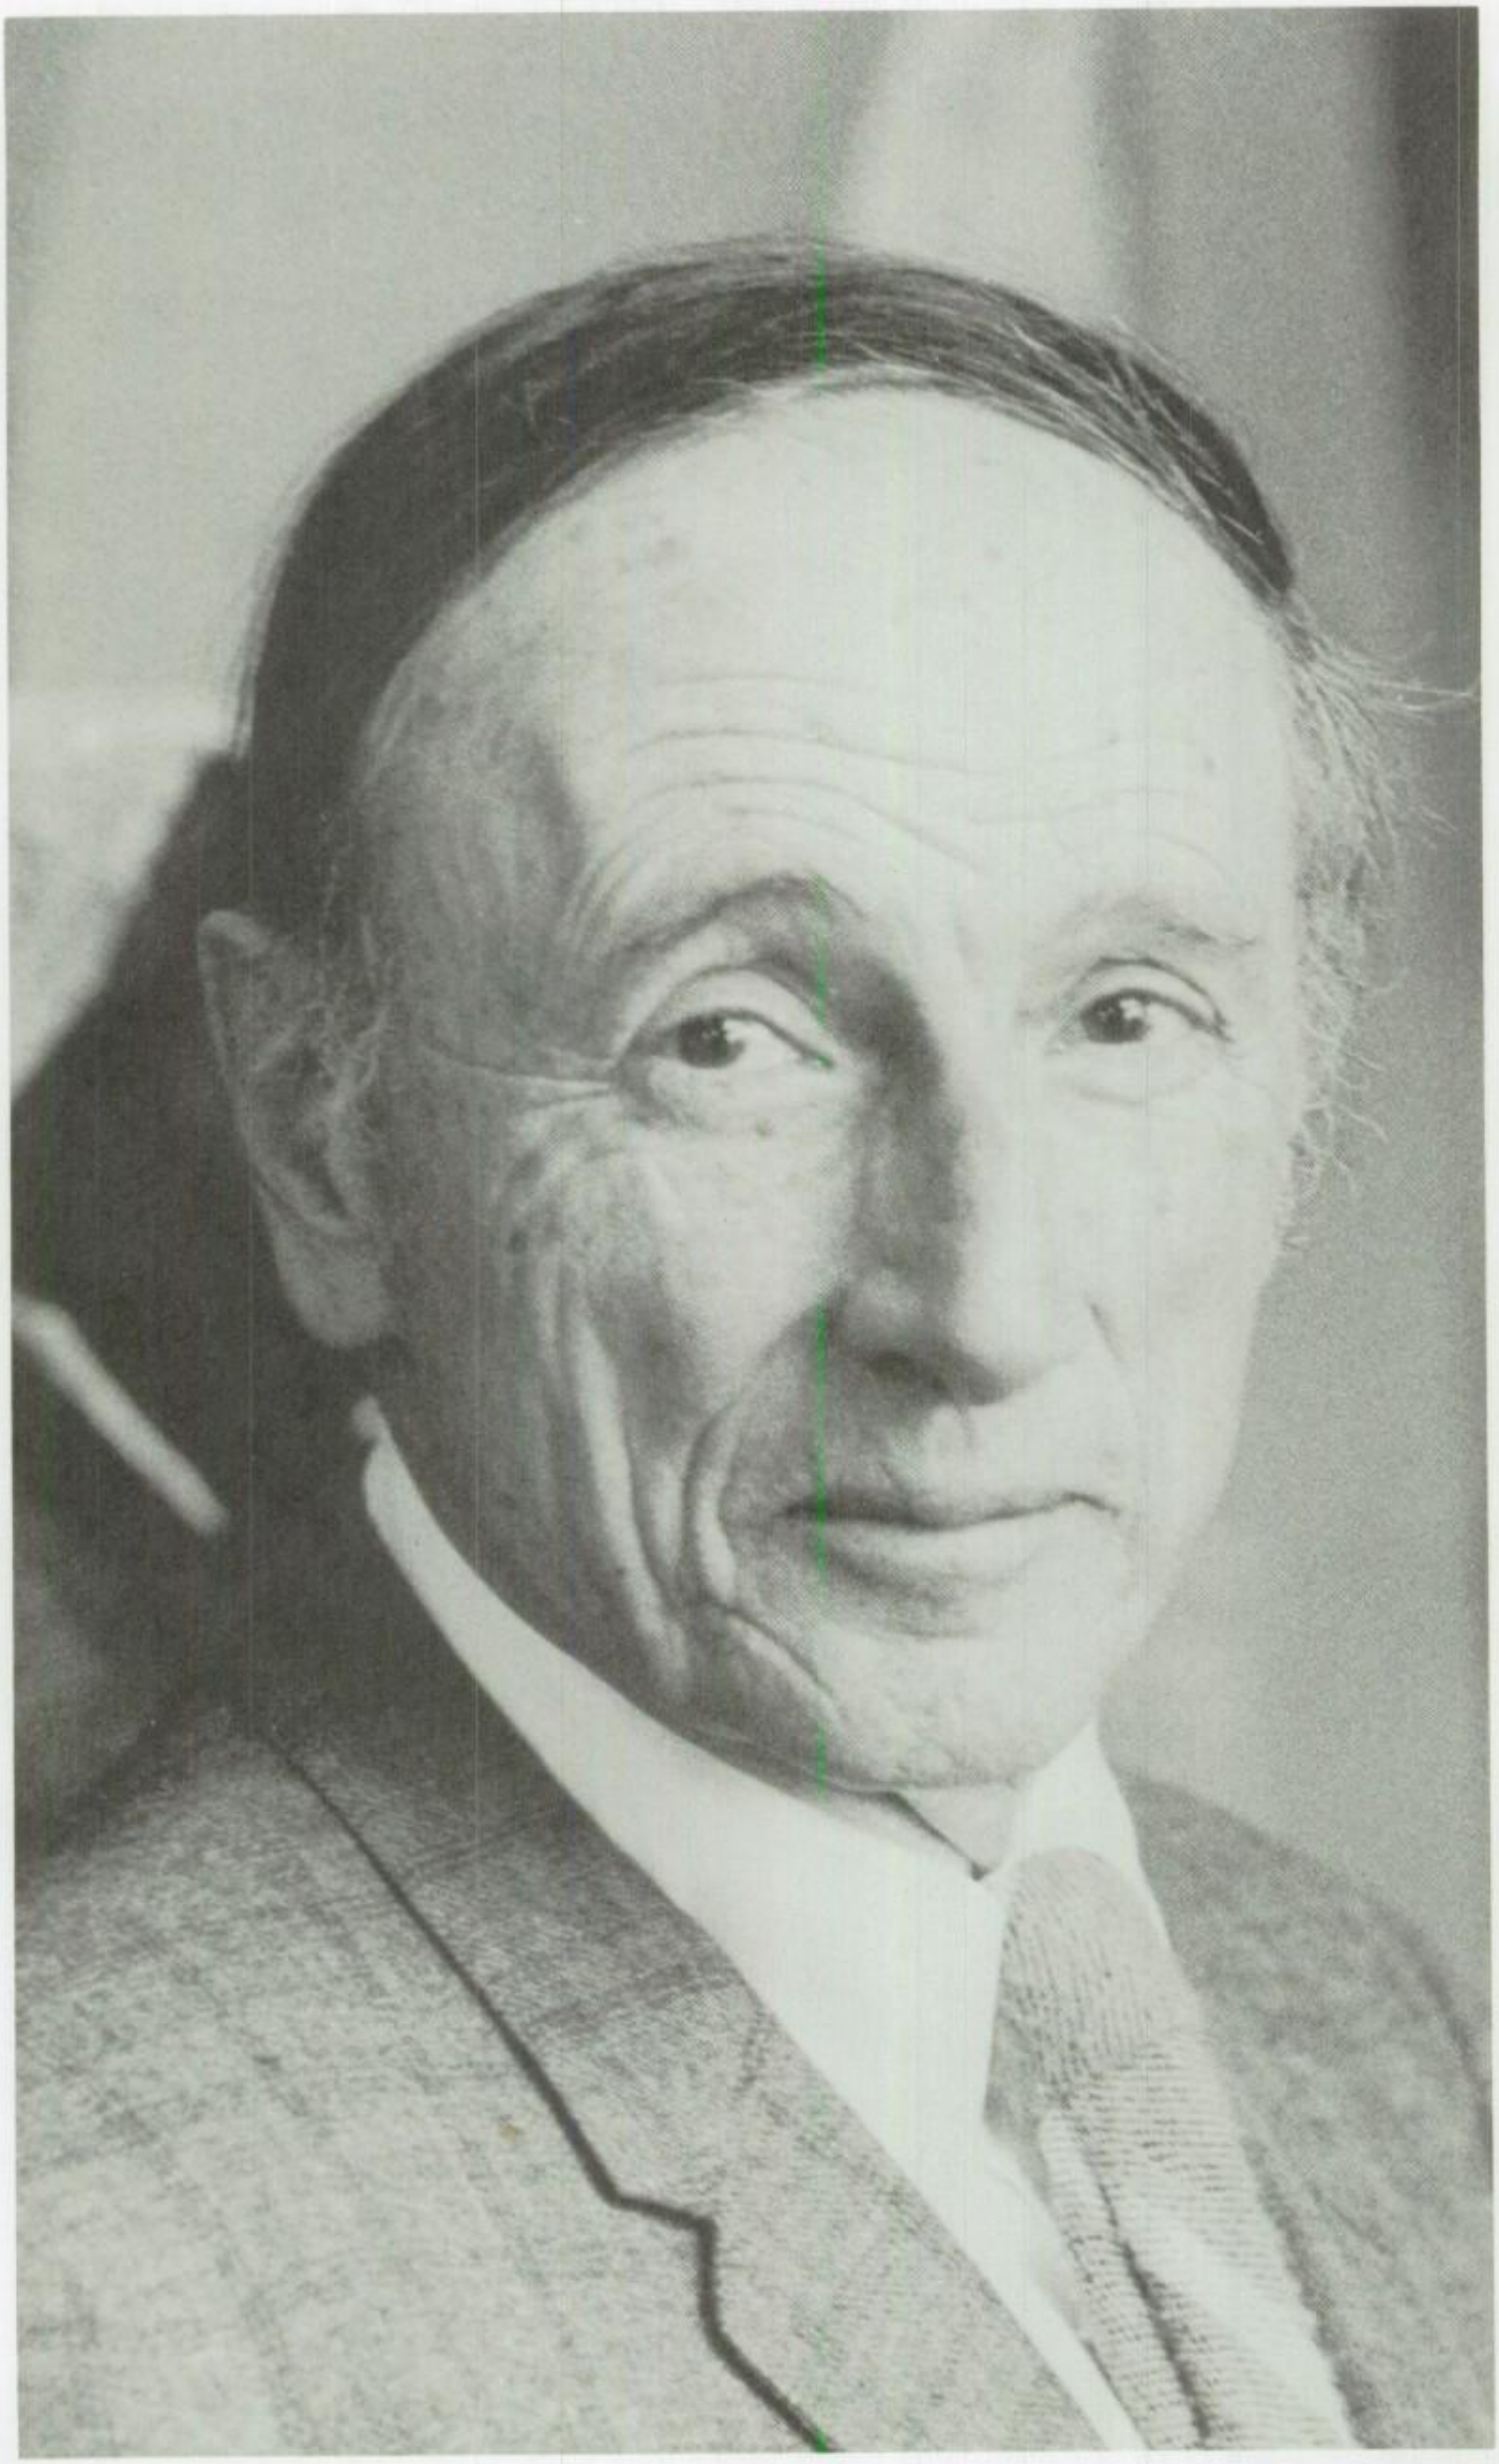
THE HILL

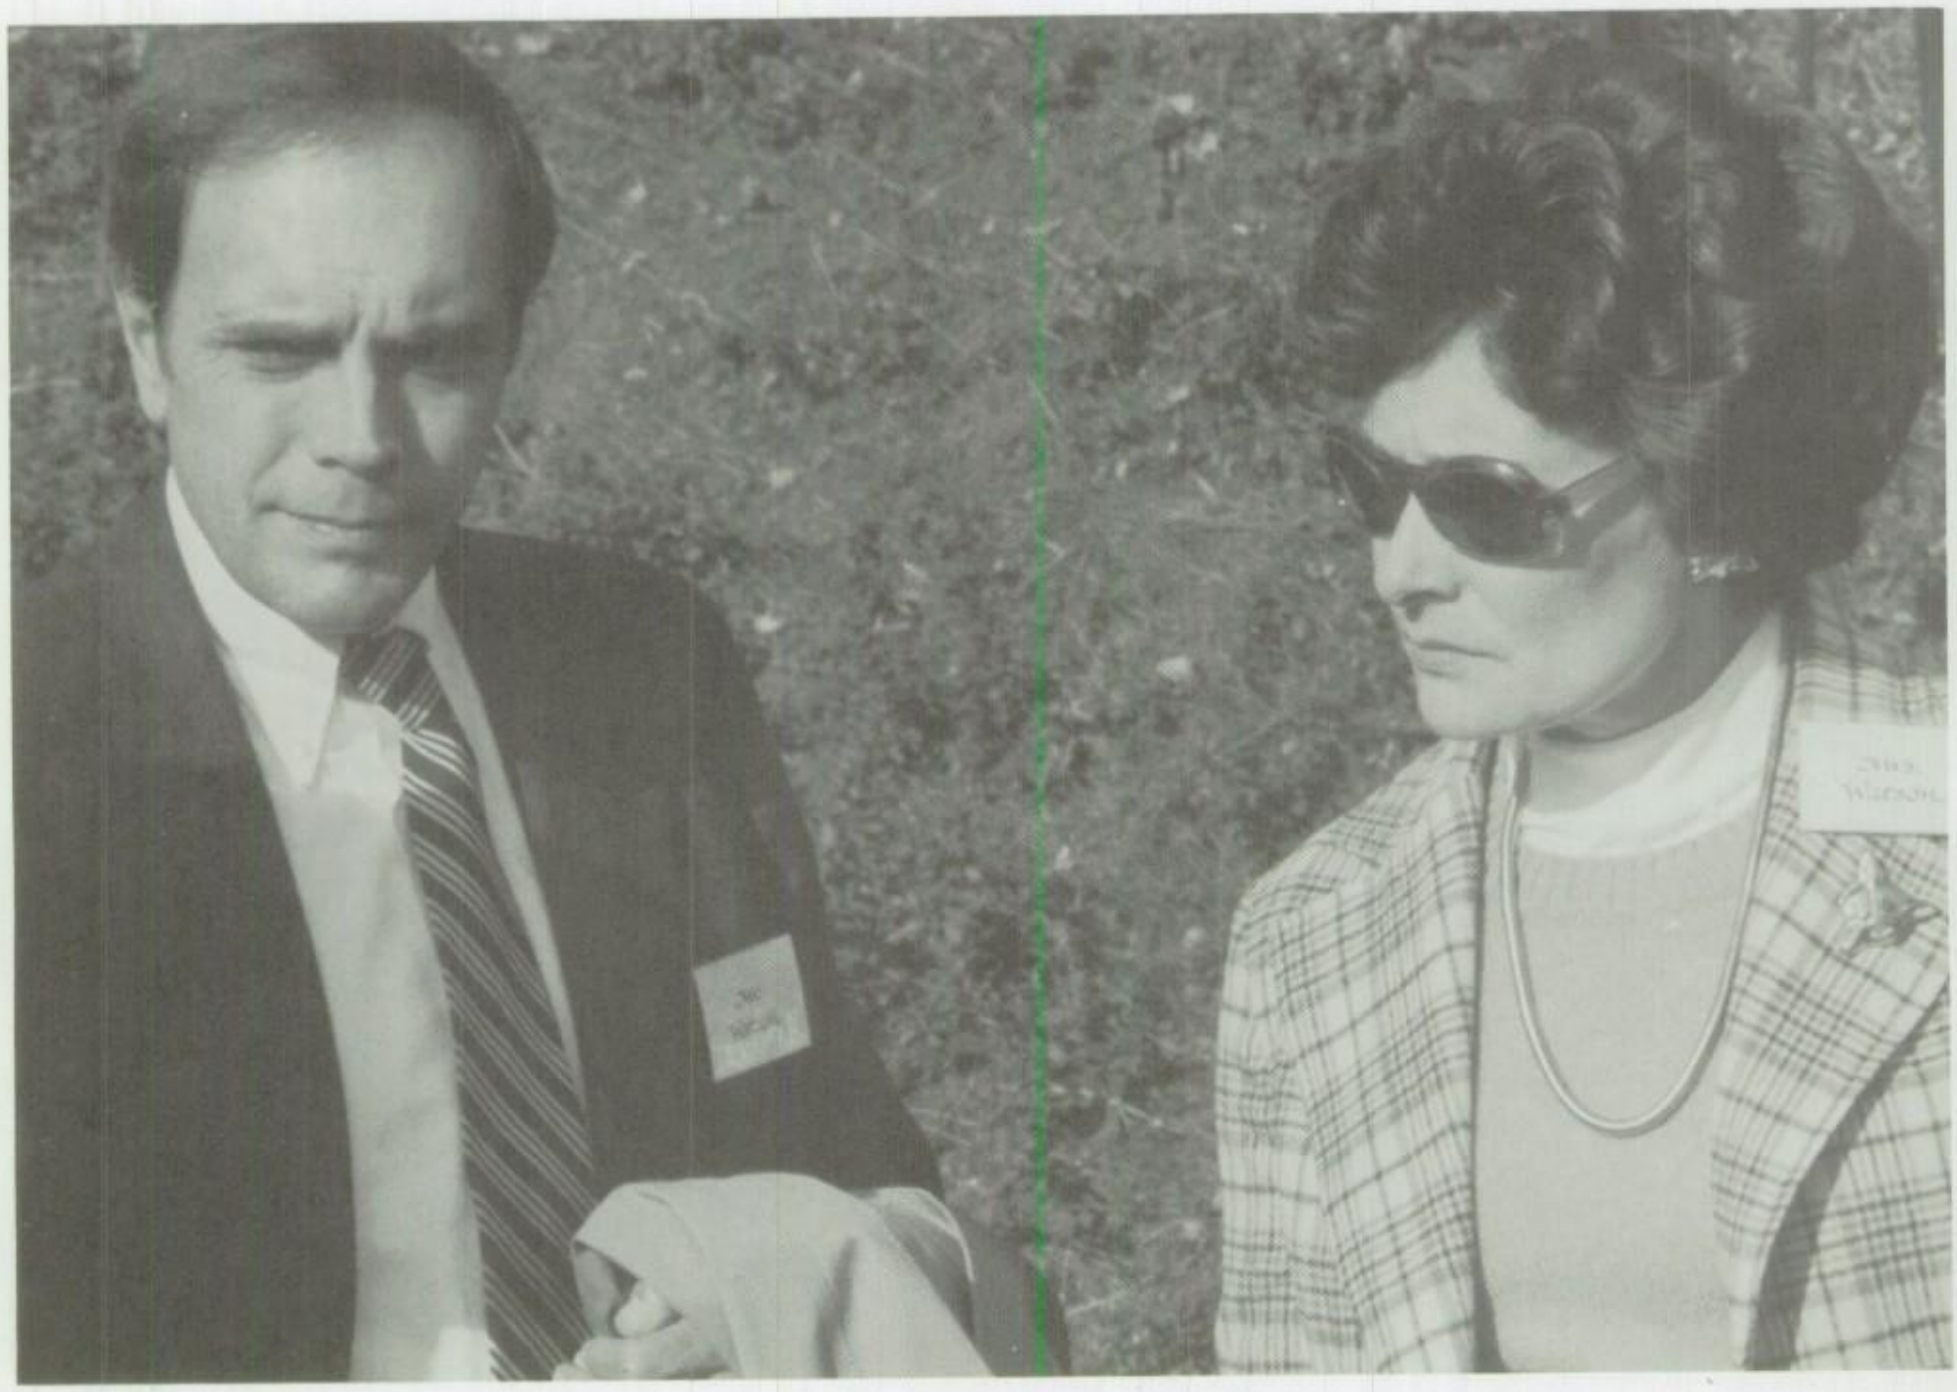


Dedication



It is seldom that we find a man who is at once an enlightening teacher and a warm friend. For his love of the accurate instead of the easy, for his broadness of mind, for his determination and courage, and for the quiet and enduring friendships he has created with us, We, the Class of 1977, dedicate our DIAL to

Mr. Thomas Eccleston



Charles C. Watson, Headmaster, and Mrs. Watson

THE HILL SCHOOL
POTTSTOWN, PENNSYLVANIA
19464

To the Class of 1977:

Although your Class has been one of the smaller Sixth Forms, you have clearly compensated for your lack of numbers by what you have done for The Hill. Because of your unselfish contributions, the 1976-77 school year was distinguished with outstanding athletics, ambitious dramatic and musical productions, publications of the highest quality, and impressive academic achievements. For these accomplishments, I extend to you my gratitude.

At the same time, however, I believe that it is my duty to charge you to retain, in the years ahead, the same commitments to whatever you undertake that you have demonstrated here at The Hill. There are, in our nation, too many men who, although at one time similar to you and your dedication, have, in time, become disillusioned with and indifferent to society and, even more tragic, to themselves. They exist as shadows of what they once were and as empty reminders of what they might have been. They have forsaken their hopes and their dreams and consider themselves only as manipulated marionettes.

What you have acquired through your years at The Hill is the wisdom to recognize these debilitating qualities and the courage to meet them.

If you will always remember the three phrases inscribed in the apse of the Chapel, you will always find within you the strengths that you need to prevail:

Be strong --- Quit you like men --- Stand fast

To the Class of 1977, Godspeed and best wishes.

Sincerely,

Charles C. Watson

Charles C. Watson
Headmaster

How Sweet It Is!

THE HILL NEWS

SPECIAL EDITION — POTTSTOWN, PA., FRIDAY, OCTOBER 22, 1976 — SPECIAL EDITION

Hill Whips L'ville 41-8
Capt. Loughead Stars

By TOM POWER

Ten years is a long time. It had been ten years since The Hill's football team had defeated that of Lawrenceville. For Lawrenceville however, the forty-eight minutes of football versus The Hill on Saturday, November 13 probably seemed like ten years. The Hill drubbed the Larries 41-8.

It happened to be The Hill's 125th Anniversary Celebration. At the end of the game, the goal post had fallen to the ground and Hill coach Dick O'Shaughnessy had risen to the shoulders of his players.

"This was the greatest bunch of kids playing together for one single game I've seen in my whole life," O'Shaughnessy commented. "This was a team . . . everybody pulling for each other. We've never dominated Lawrenceville like this."

The last time the Blues did dominate this annual affair was in 1949, when The Hill won 40-6. One of the team's leaders was a senior named Dick O'Shaughnessy.

The Hill took a 7-0 lead in the first quarter when Guy Aiman capped a 68-yard drive with a 3-yard TD plunge. Fourth-former John Weiman added the extra point.

Lawrenceville's first possession consisted of three downs and a punt. The Hill took over on its own 45.

Brilliant play-calling by Quarterback-Captain Mike Loughead brought the ball to Lawrenceville's 7-yard line. Loughead hit Scott Haine for the touchdown and Weiman added the PAT.

The Blues went into the locker-room with a 14-0 halftime lead. The team had picked up 217 yards with 14 first downs. Lawrenceville's total yardage came to 11, with no first downs.

As Barry Muth commented, however, The Hill was ready for more. "We went out with the idea it was a new ball game," The Hill's outstanding tackle said." Like it was 0-0 and we were starting all over again."

Kevin Murray started off the 3rd-quarter fireworks with an 18-yard TD jaunt following the recovery of a Lawrenceville fumble. After another L'ville offensive drive was thwarted, The Hill marched 60 yards in six plays. Murray hauled in a 26-yard TD pass for his second score of the day. Weiman's extra-point was blocked, so The Hill sported a 27-0 lead.

Still in the third quarter, QB Loughead dashed into the endzone from 30 yards out. Weiman's extra point pushed The Hill's lead to 34-0. Frank Hart added a 20-yard TD run and Weiman's fifth-extra point gave The Hill a 41-0 lead.

Lawrenceville's lone score came on a 6 yard run with 17 seconds remaining in the game. The two-point conversion made the final score 41-8.

The statistics are overwhelmingly in The Hill's favor. The Hill picked up 21 first downs compared to L'ville's 4. Total yards came to 434 for the Blues and 92 for their opponents. Lawrenceville was forced to punt 8 times. The Hill didn't punt once.

The game gave the Blues a final record of 5-2. The season opened up with a 14-7 defeat of Germantown Academy. Against Episcopal Academy, the defense shined again giving up only 6 points. Three touchdowns and Weiman's sure foot gave The Hill a 21-6 victory.

Woodberry Forest handed the Blues their first defeat of the year. The first three quarters were scoreless, but a 98 yard drive gave The Hill a 7-0 lead. Woodberry scored but failed to convert the PAT. After the Blue's failed to pick up a first down, Woodberry took over on its own 40 with 1:20 to go in the game. A miraculous drive capped by a five yard TD plunge gave Woodberry the win.

The Hill faced a formidable opponent in Williamson Trade School. However, the Blues made it look easy in their 21-12 victory. A Parents' Weekend audience observed a 48-0 massacre over the Mercersburg eleven.

The Wyoming Seminary game was a heartbreaker. The Blues took over with two minutes left in the game trailing 20-14. They marched 80 yards to the Wyoming nine. But thoughts of victory were dashed as a Hill pass was picked off in the endzone.

The Hill went into the Lawrenceville game with a 4-2 record. The two losses were both decided in the last minute. The L'ville game, however, made the whole season worth it. For the seniors on the team, it was the last football game against Lawrenceville. It was quite a finale. Captain Loughead was asked if it was the best day of his five year Hill career.

"I'd have to say yes," he replied. "I never dreamed of anything like this. And I'm happy for Coach O'Shaughnessy. He deserves all the credit. He's a fine man, and a good coach."

How sweet it is!

Soccer Plays To 1-1 Tie With Larries; Ends Impressive Season With 10-5-1 Record

By PAUL H. LEARY

On Saturday, November 13, The Hill Soccer team contested Lawrenceville in a rivalry which extends over a period of 55 years. On the school's 125th anniversary the soccer team added to that celebration with a 1-1 tie against the number one team in New Jersey. This was unexpected because on Wednesday the team had lost to a Penn Charter team which had previously only won one game. But the team began the game aggressively and the outcome was never in doubt. This caped a good season with an impressive showing, bringing the final tally to 10-5-1.

In the opening minutes The Hill made an impressive rush on the Lawrenceville goalie, culminating in a goal scored by post-graduate Jeff Williams, who started for the first time in this game. The shot beat the goalie to his right side and, although not a hard shot, eluded other Lawrenceville defenders. This was all The Hill needed and provided the team with the confidence it had been lacking. From then on the play was centered in the Lawrenceville zone, with many attempts being stopped by the L'ville goalie. Also in the first period a Lawrenceville halfback fooled Mike Frank with a chip from about thrity-five yards out. The visitors did not provide as much competition as was expected, and were actually worse than many of the teams played this year.

During the second half the action followed a striking pattern. Hill would dominate the play for ten minutes, unleashing many shots on goal, and then the Larries would make a rush, only to be stymied by sweeper back Jim Rufe. The fullbacks and Mike Frank played a superb game, allowing the team to play much more offensively, since its defensive responsibilities were covered. Also putting in a brilliant performance were The Hill halfbacks, led by Paul Drennan. The line played well also and its lack of scoring punch may be attributed to the good play of L'ville's fullbacks. In tying Lawrenceville this year's varsity, composed almost entirely of last year's J.V., avenged its loss of last year (5-0) in impressive fashion.

This year has been quite surprising to the coaches and captains of soccer because at the start there was no indication of exceptional talent. The success of the team can be attributed to its ability to work as a unit. In the record it may be noted that the team won when it passed efficiently and played around the opposition. On days that this did not occur, Hill soccer suffered its worst defeats. Reviewing the season, the Girard College, Blair and Lawrenceville games stand out as the best efforts by the team. The scores were, respectively, 1-0, 1-0, and 1-1. This reflects excellence on defense, but more importantly, domination of strong teams. Having played on the team all year it is easy to see that we performed better when morale and confidence were high. In retrospect, The 1976 Hill Soccer Squad turned in a commendable effort.

Captains Rufe and Rhoda

This year's team was led by captains Jim Rufe and Mark Rhoda, although Rhoda had to lead from the sidelines most of the year. As third-year lettermen, they provided experience which the rest of the team lacked and aided the team through their advice. Their efforts were not enough against the Inter-Ac teams who prevailed in 4 out of 5 contests this year. Next year's team will have a solid nucleus to build upon from this year's fifth formers. Seven will be returning and hopefully they will settle the score with these Philadelphia teams. With the addition of J.V. players from this year the outlook appears good.

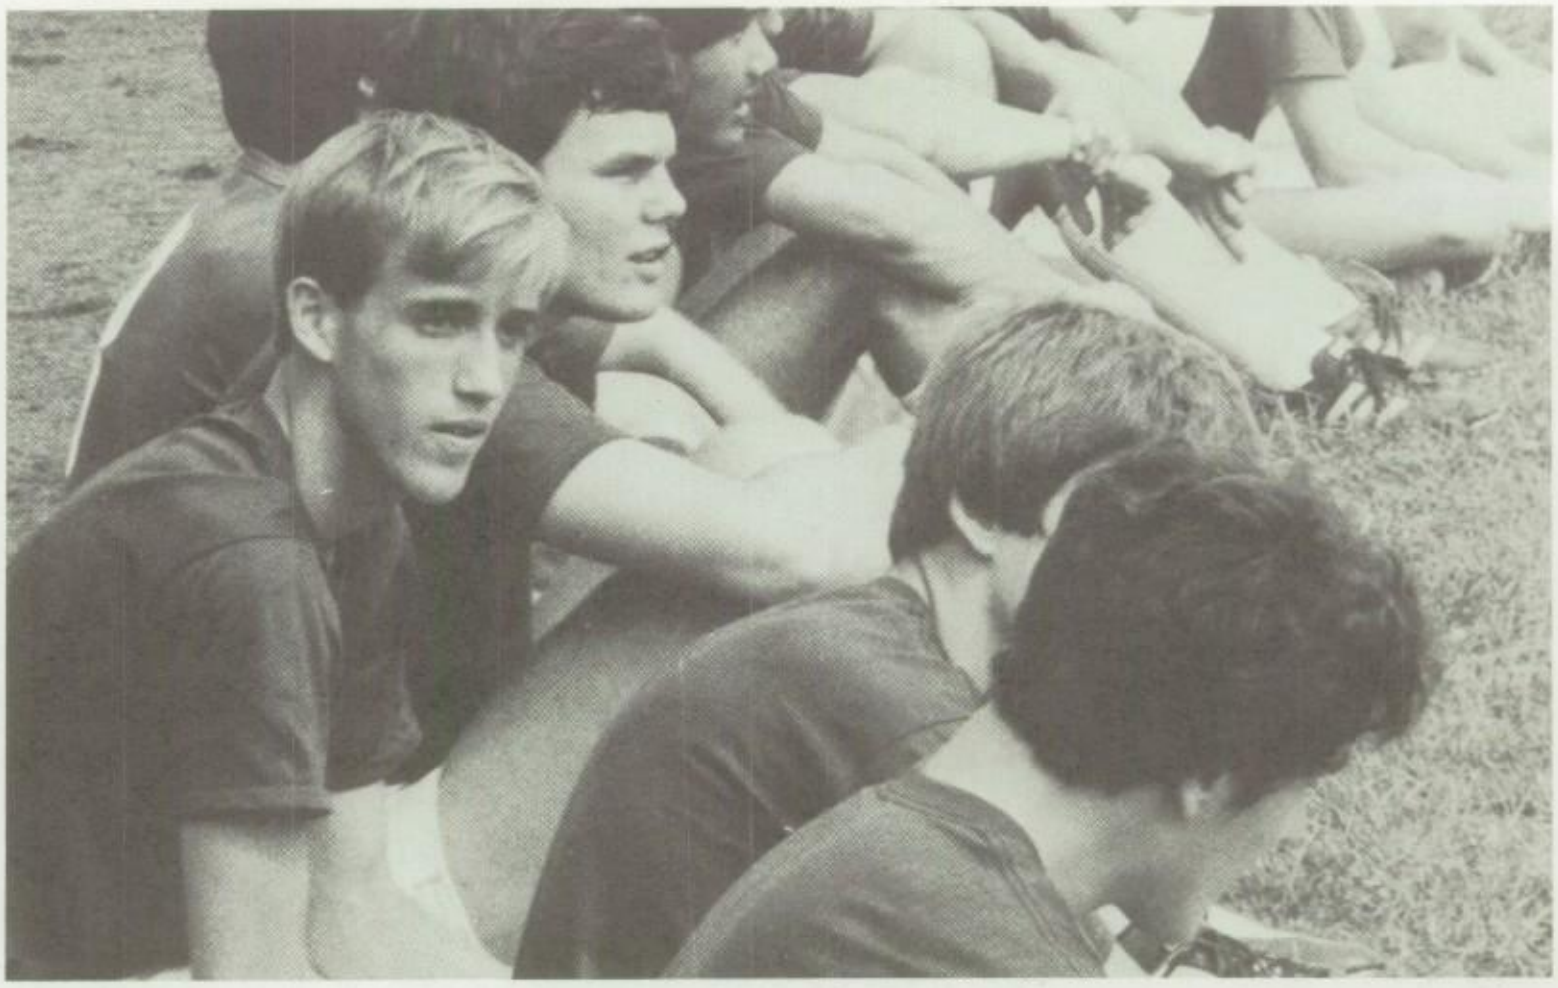
"Students at The Hill are involved in many pursuits that take them well beyond the classroom, and many times beyond the campus itself."* The Sixth Form has proved this through its actions, both overt and covert. In the following pages, the validity of this statement will be shown.

*The Hill School Catalogue.

Captains, Hard at work.

"My Insurance Agent? New England Life, of course."

Up-downs, legs lifts, push-ups, running: these were just some of the things that were faced by those of us who returned for early practice. The practices were grueling, but they paid off in memorable victories over Lawrenceville.



Maybe we should have gone out for football!

Is there not a game today?

Funk'in Around

Welcome to The Hill School Country Club.

Well, Gang . . .

Another 80 pages of Blum!!!

There's always second mail.

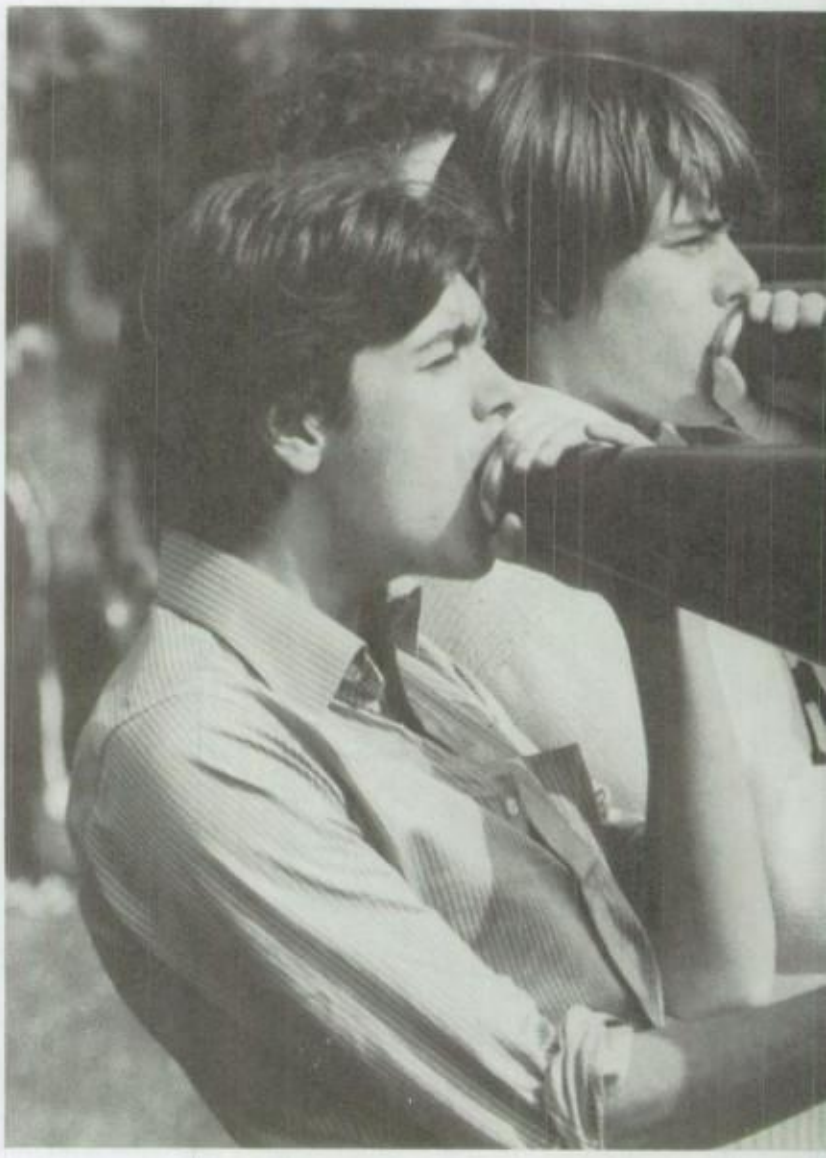
On September 15, the Sixth Form tried to retain its sanity as it helped the 192 New Boys begin their Hill School careers. A few days later we were once again forced to sleep through the annual "Whatsoever things are true" speech. Dean slips began to fill our mailbox in the absence of fan mail, and each Senior knew that he was back in residence in Pottstown, Pa. once again with the fear of being chaste.

Stand fast in the faith.

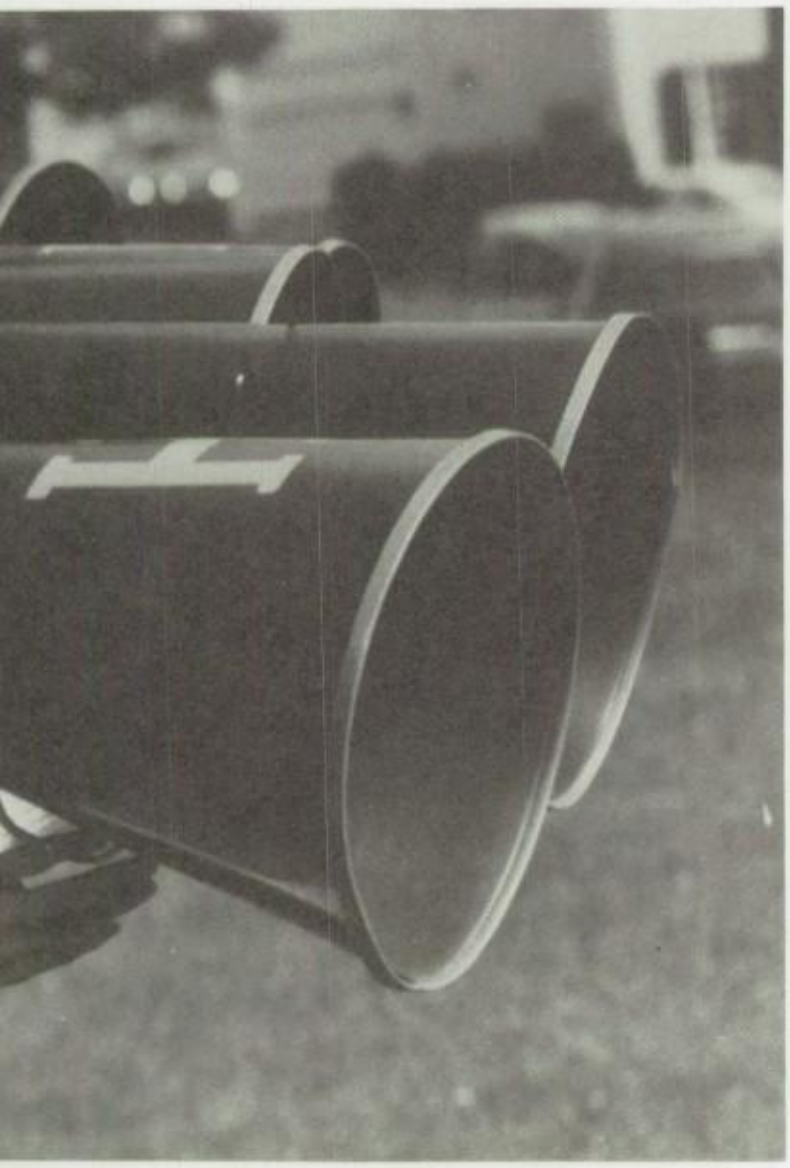
"It's the real thing."

"About the poker club . . . "

The HILL is a family school . . .



Quite for once



Putting out a yearbook is fun

With the appearence of our first list grades, we knew that the cause was hopeless, and we decided to turn our energies to the more meaningful aspects of HILL campus life. Yet through all of this we tried to follow the advise of our illustrious college adviser.

"Hey, Mr. Woodward . . . about Yale."

In an effort to perpetuate our reputations with the distinguished faculty, the fine, independent minds of the school, many more of us began to frequent After-Dinner Coffee. The room may have been drafty, but we all enjoyed ourselves, even when the coffee was rationed.

Free, at last!!

"I like your tie."

"Well, if we were allowed in the other room . . . "

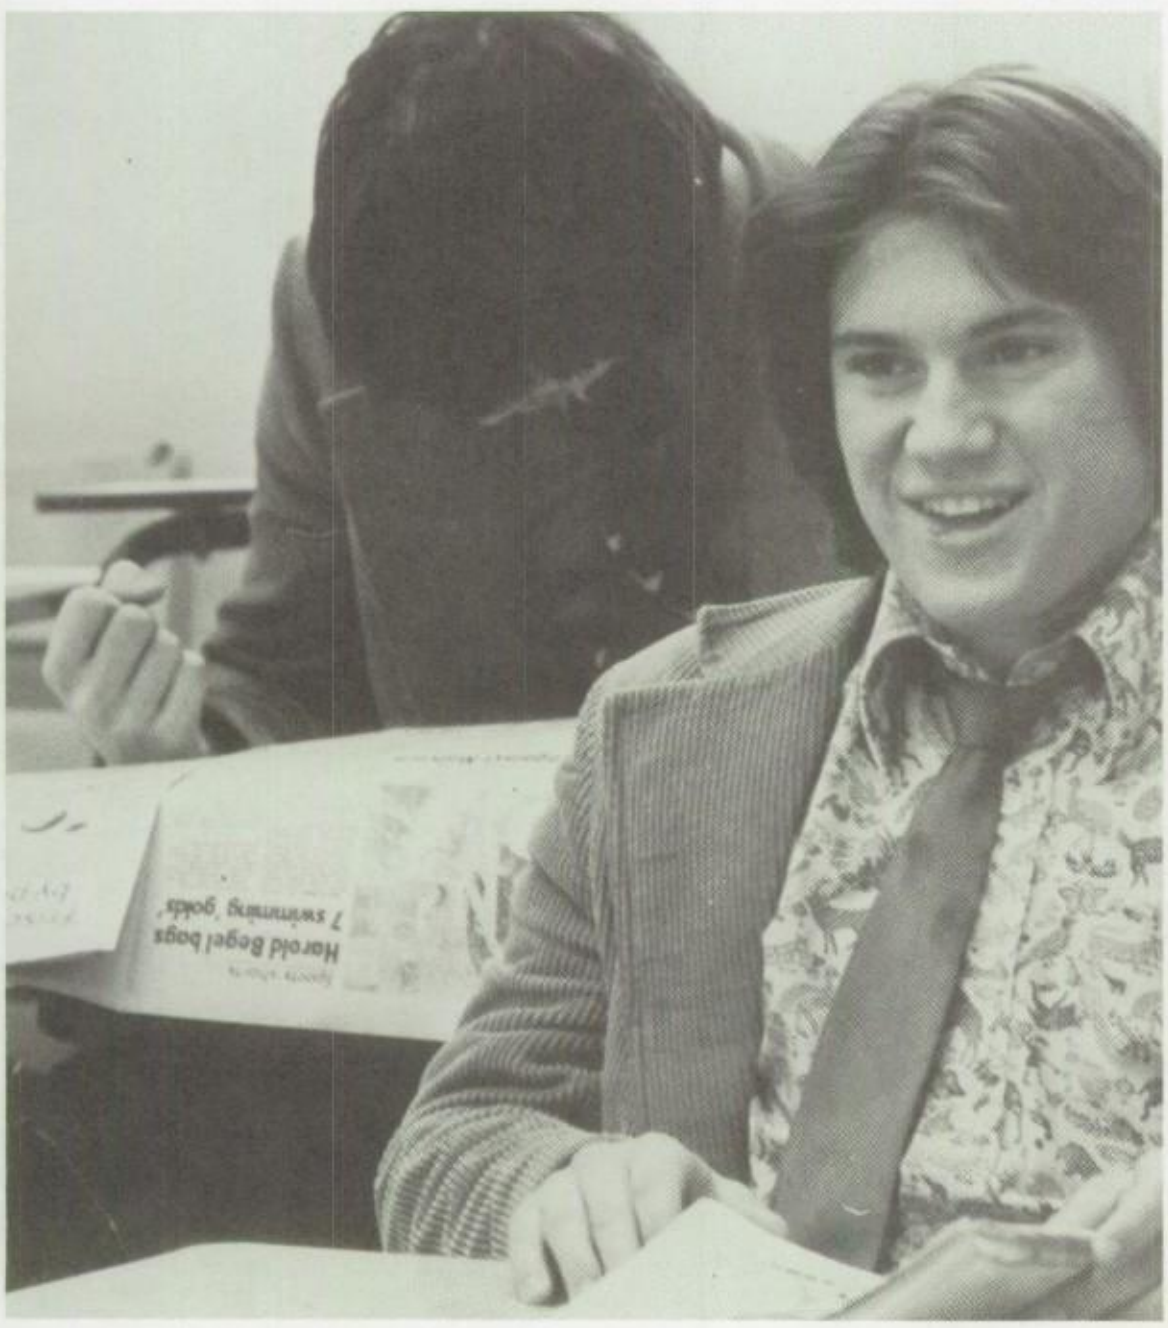
Taking it e-a-s-y . . .

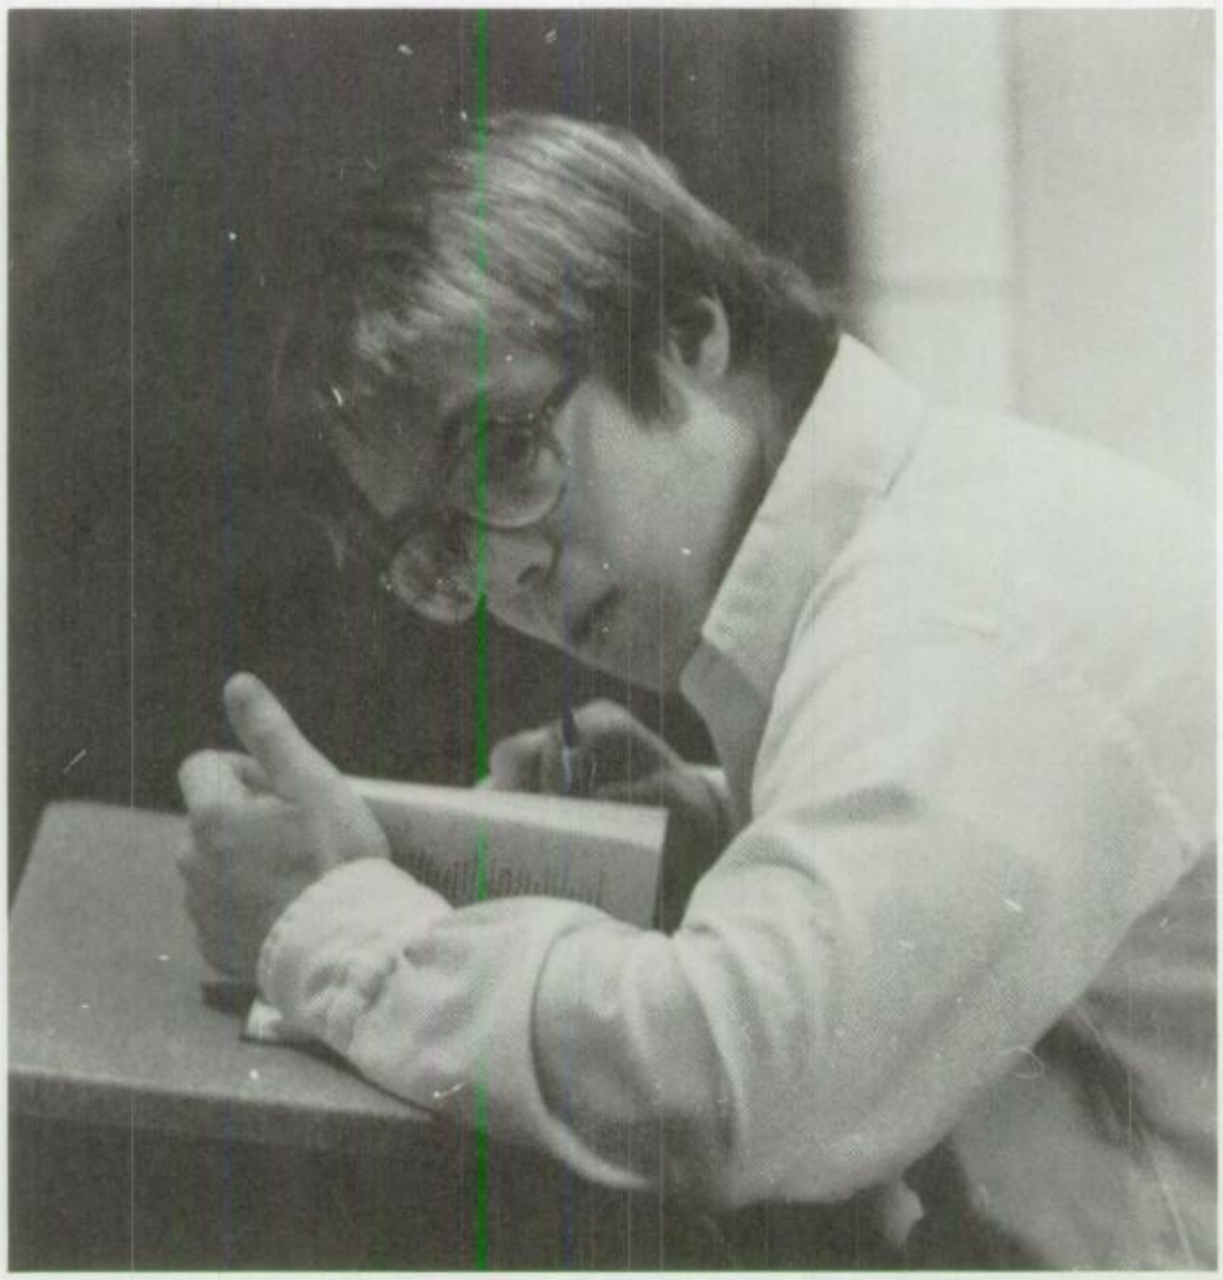
Interesting Reading

Another rough class

As final exams loomed on the horizon, many of us dropped Math 6, Physics 2, and American History A.P. in favor of the rougher courses — Urban Studies, History of Art, Math 3, Bigotry 101. S.A.T.'s took a lot out of us, and Final Exams merely served to ruin our creativity. Without a doubt, most of us remembered nothing after these tests.

FINAL exams

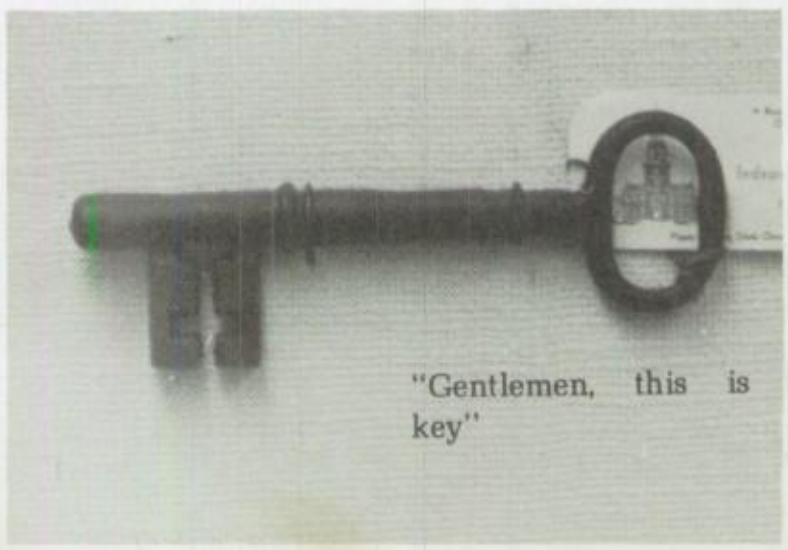




"Leave me alone. I'm trying to get into college."

"Where's the pool?"

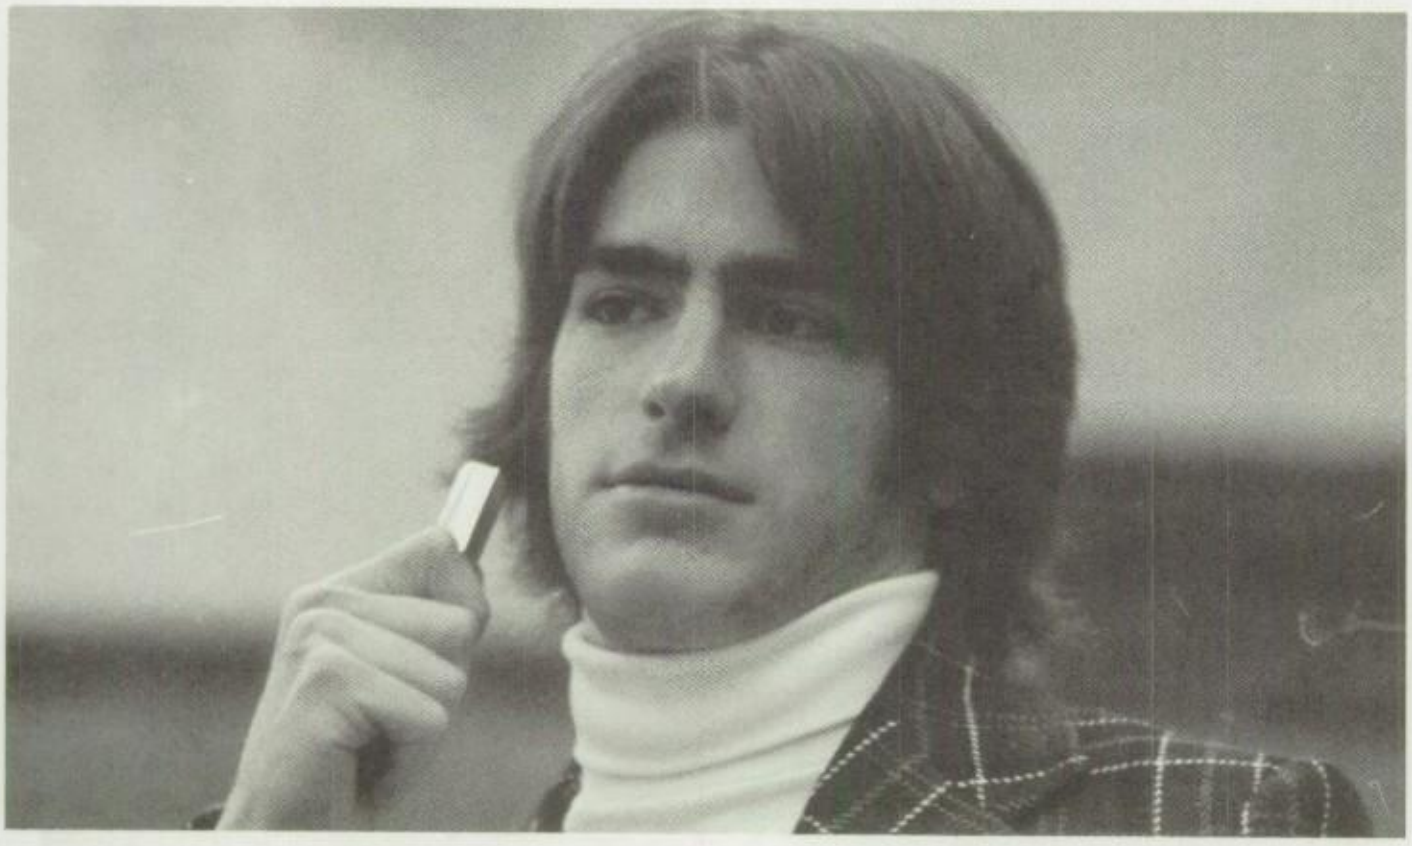
"Teach me book"



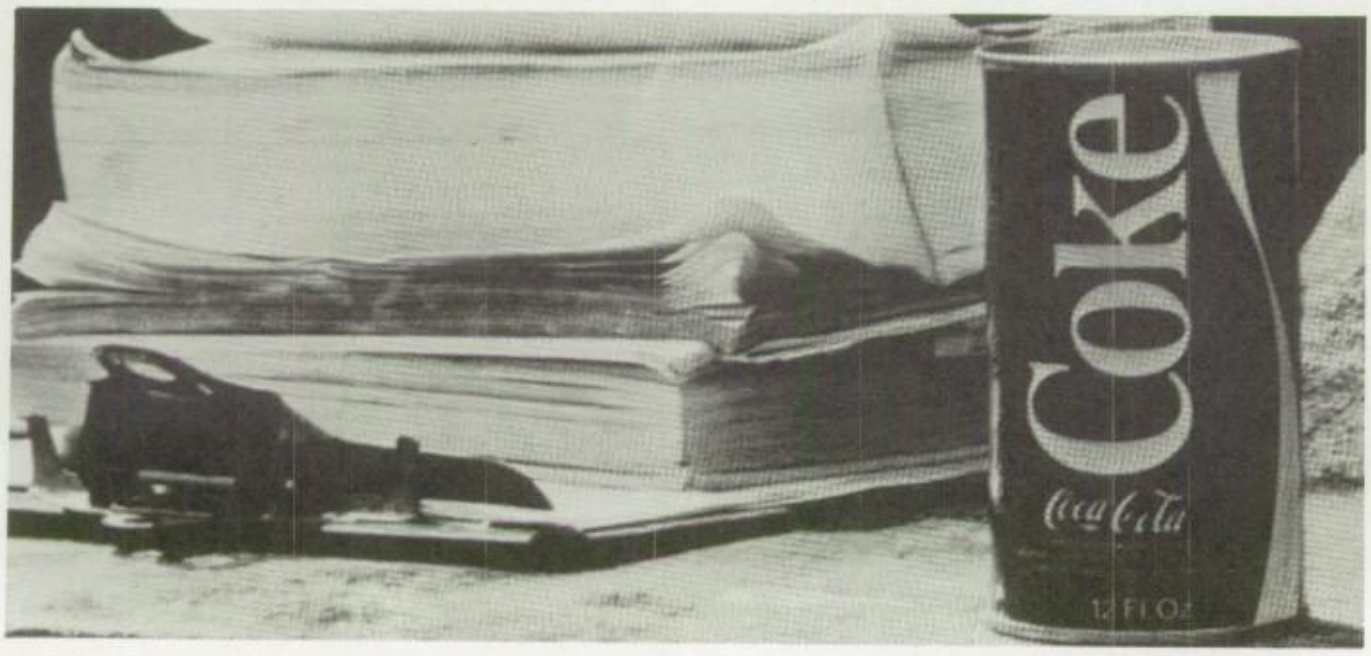
"Gentlemen, this is key"

The thought of justifying our various slides was the only thing that made the Winter Term seem palatable. Nevertheless, masters tried to nourish the strong seeds of wisdom in our ruined bodies. Still, however, there were those who spent 25 hours in the library, and the rest of their time in class, at labs, or receiving extra-help.

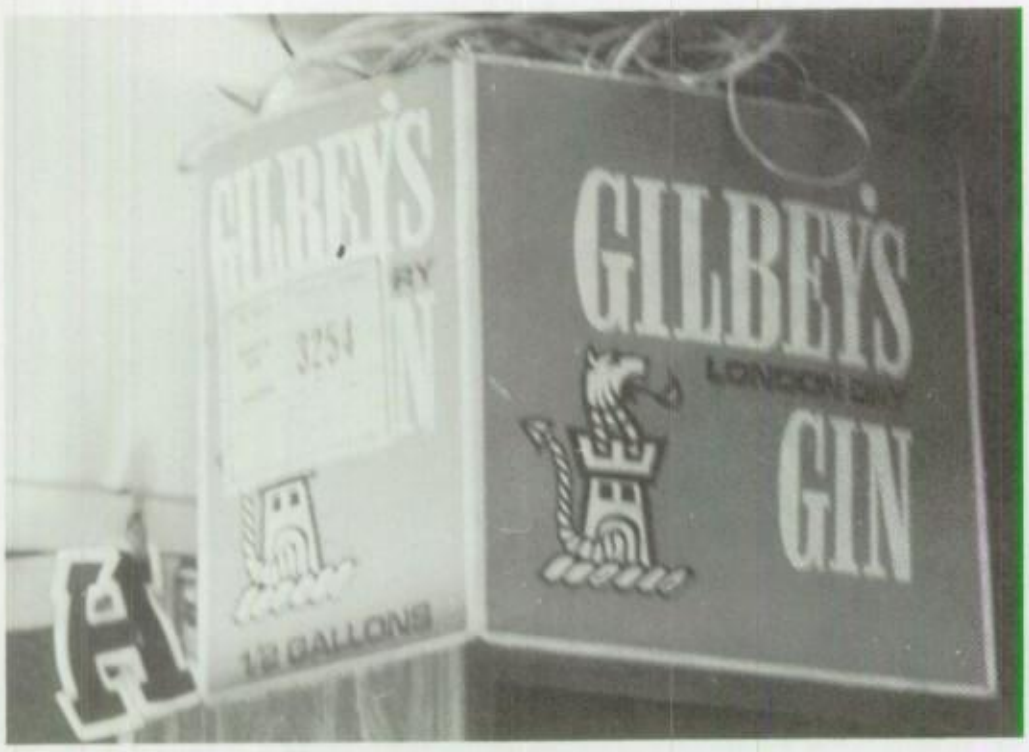
"Oh, Mr. G!"

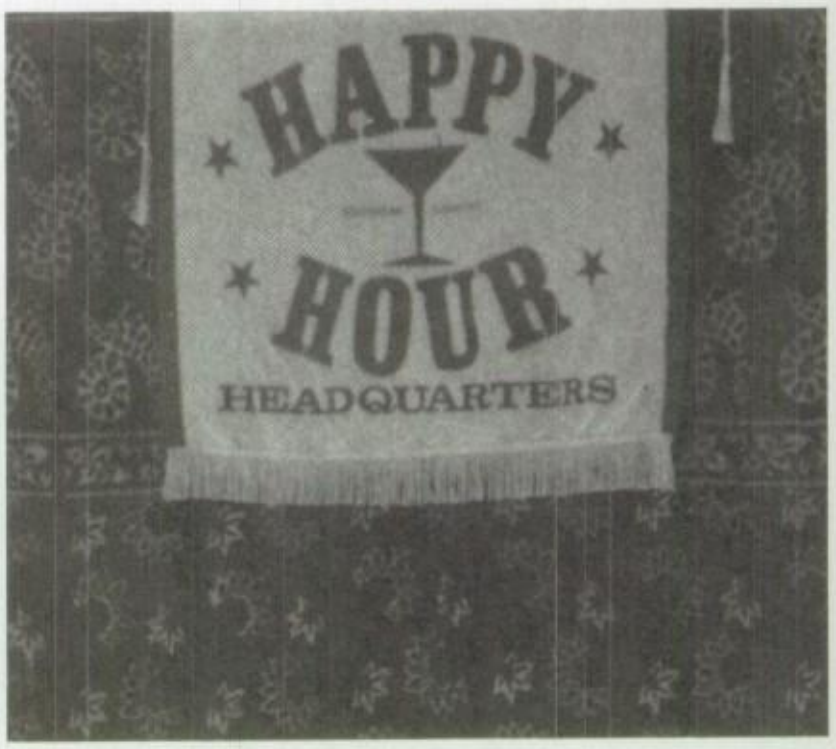


"Ho Hum".



"Mr. Jackson, May I take a class cut?"

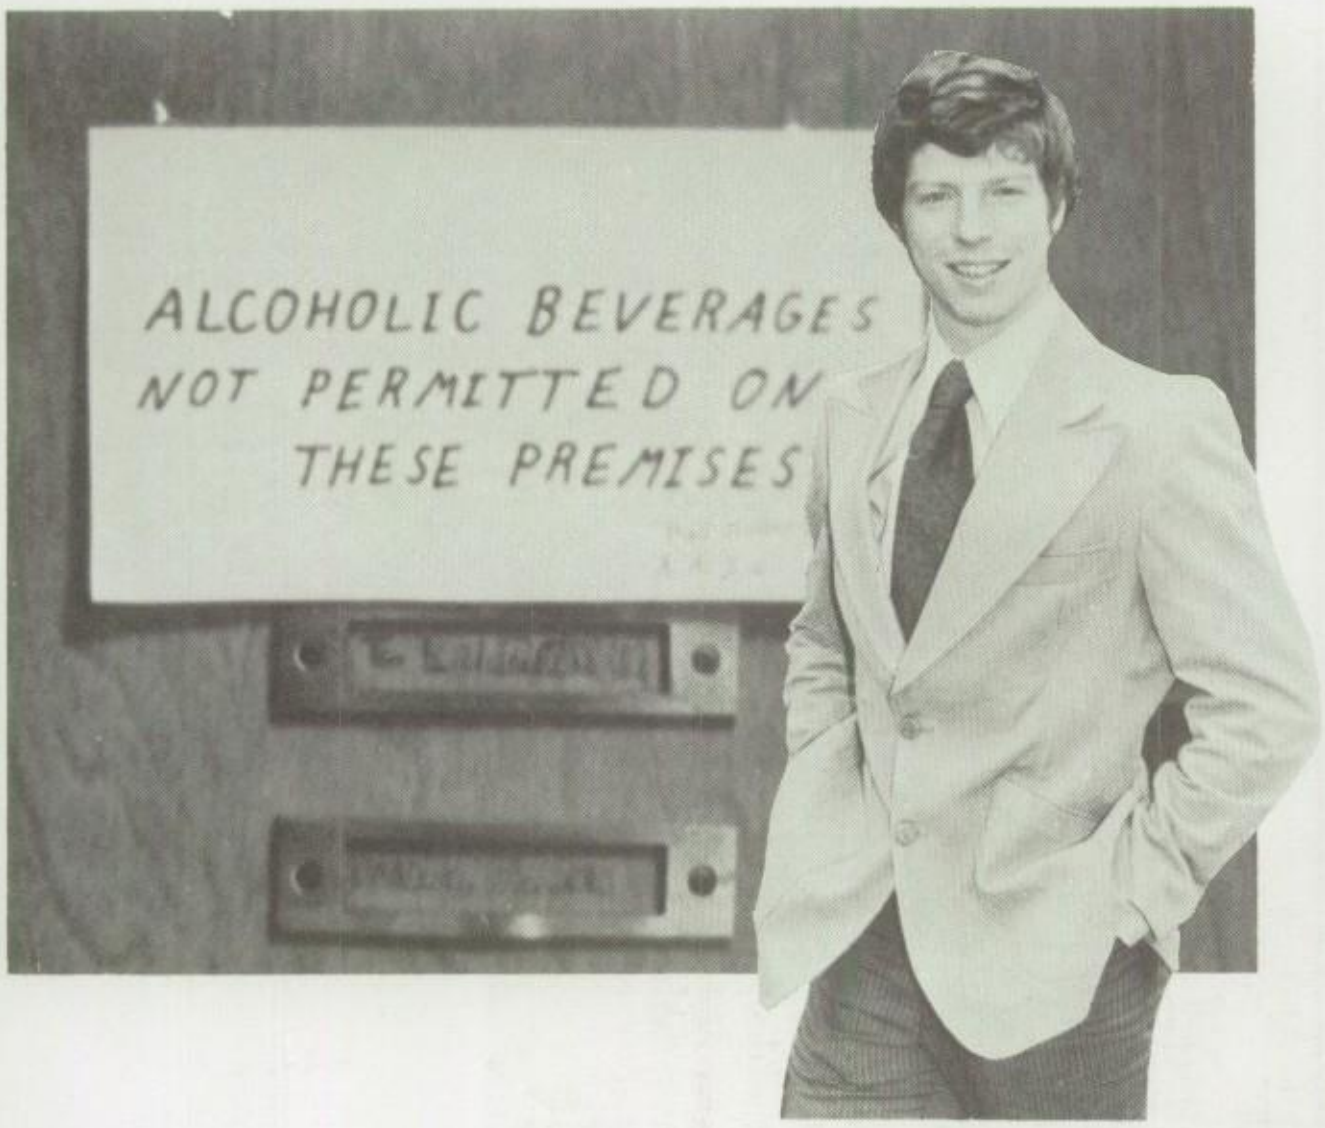




And who could reminisce about our 6th Form year without mentioning the places where we lived. Most of us lived in Rolfe, Upper School, and Sherrerd, and life in these dorms was extremely interesting. Who will ever forget the Saturday morning cartoons, and the late night socializing in U.S. and Rolfe. At the same time Sherrerd was keeping the Western portion of the campus in an uproar.

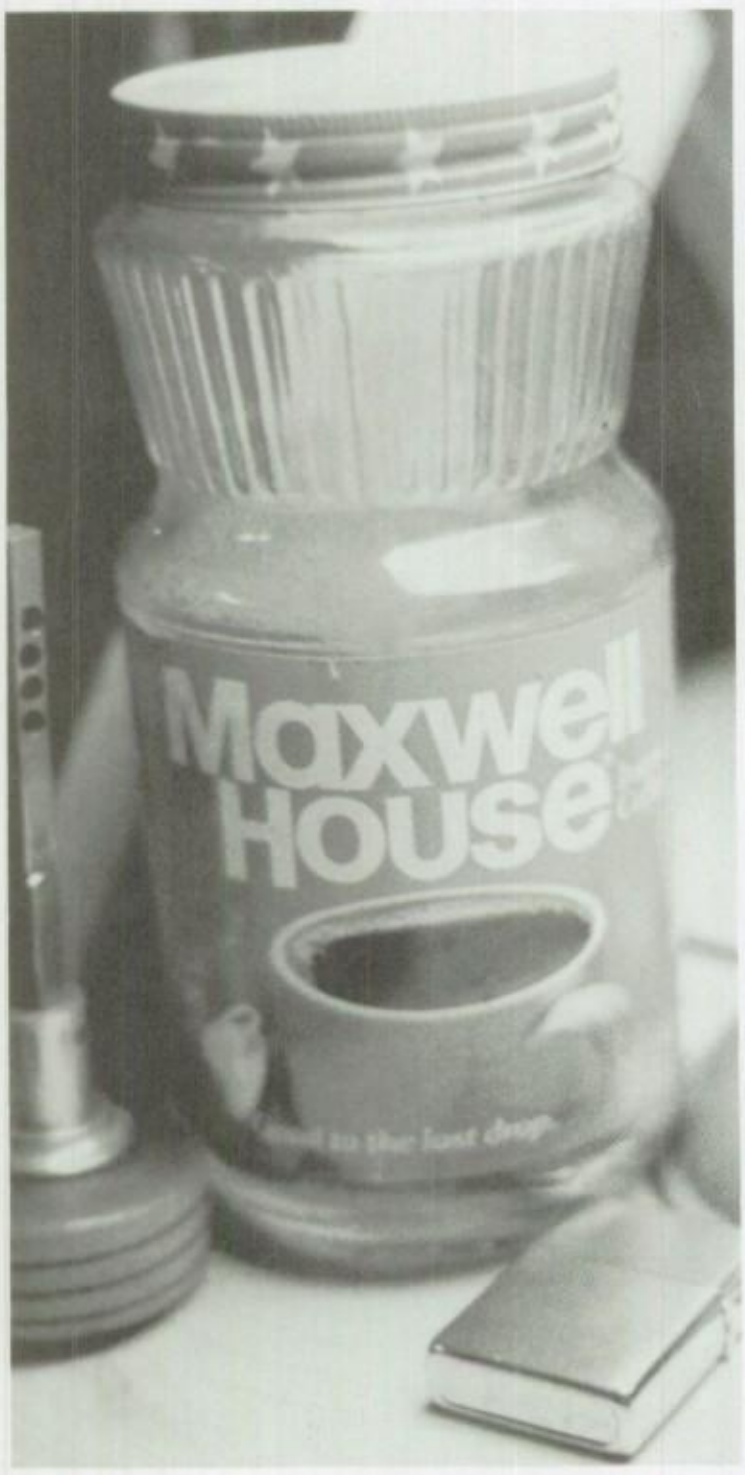
T-R-O-L-L

"What day is it?"



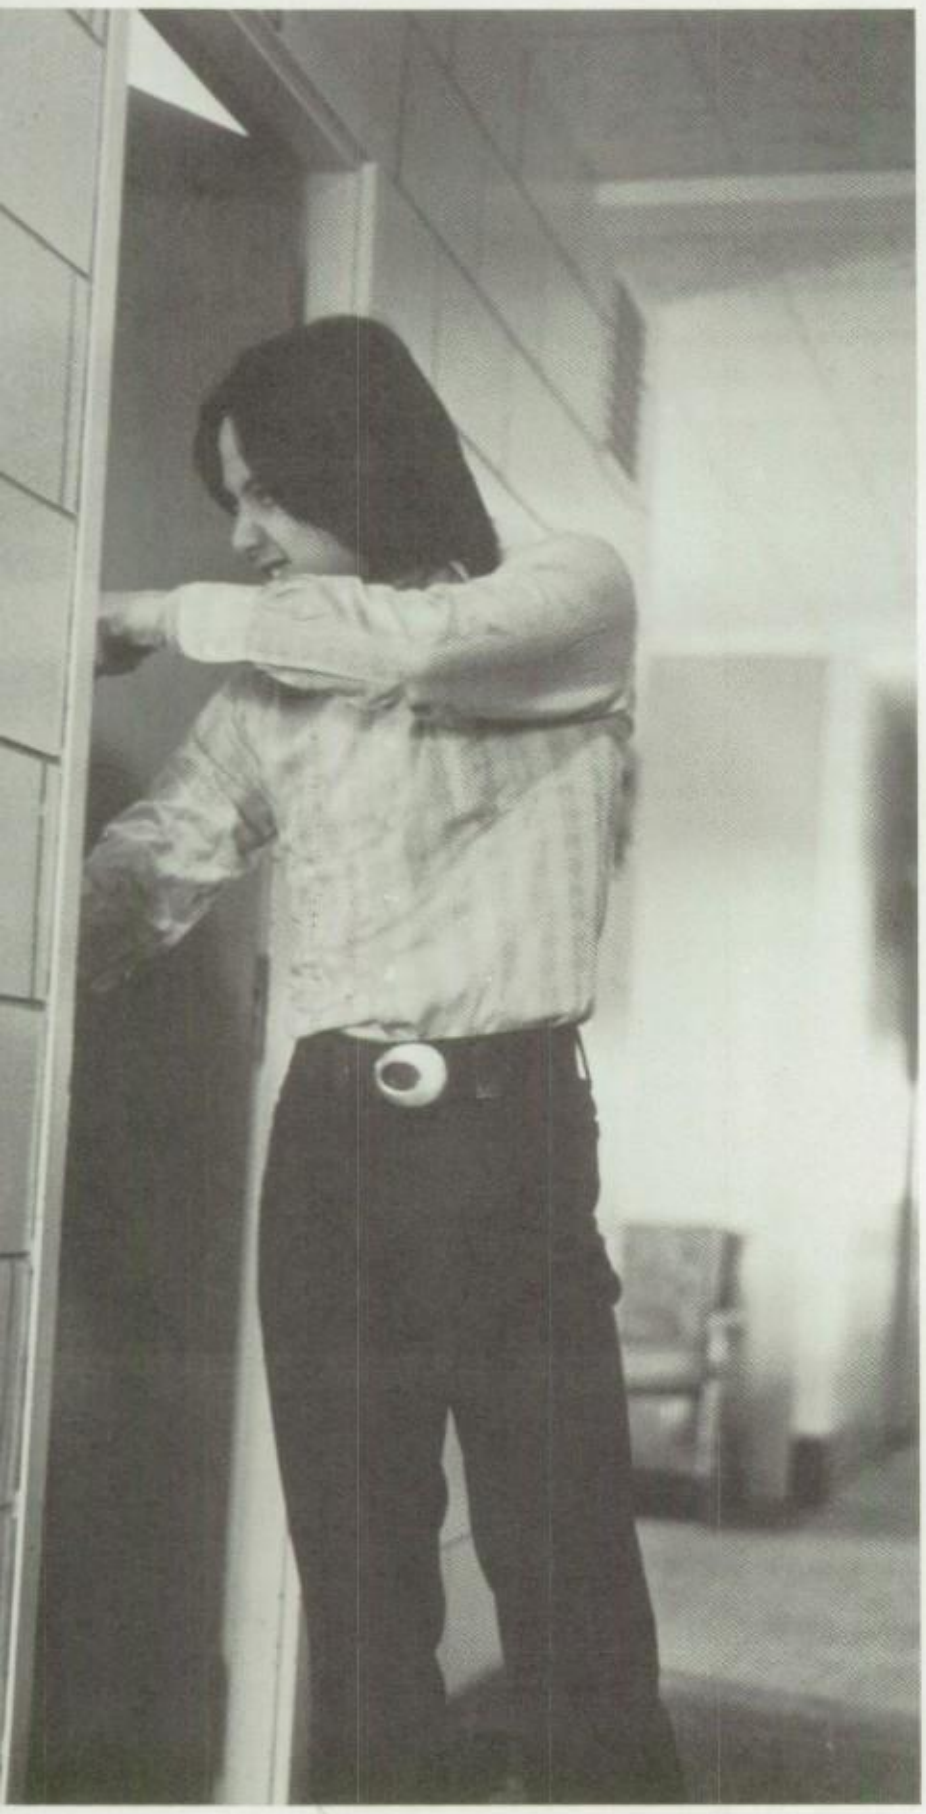
2 U.S. WEST

It's the only answer . . .

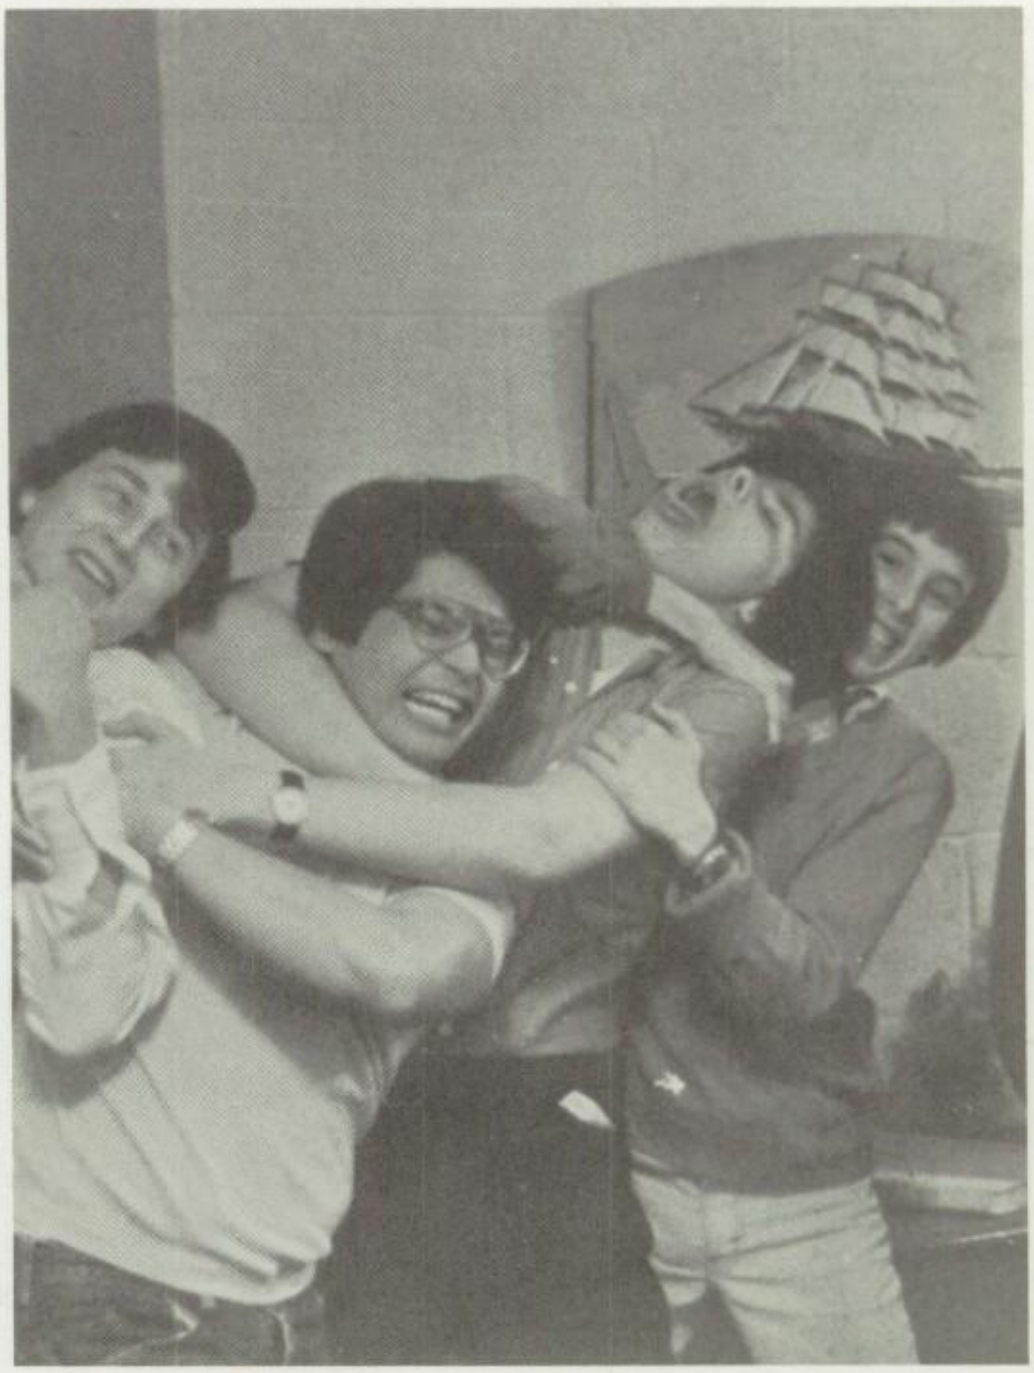


The blood of the prefects

Keep rolling them double 6's

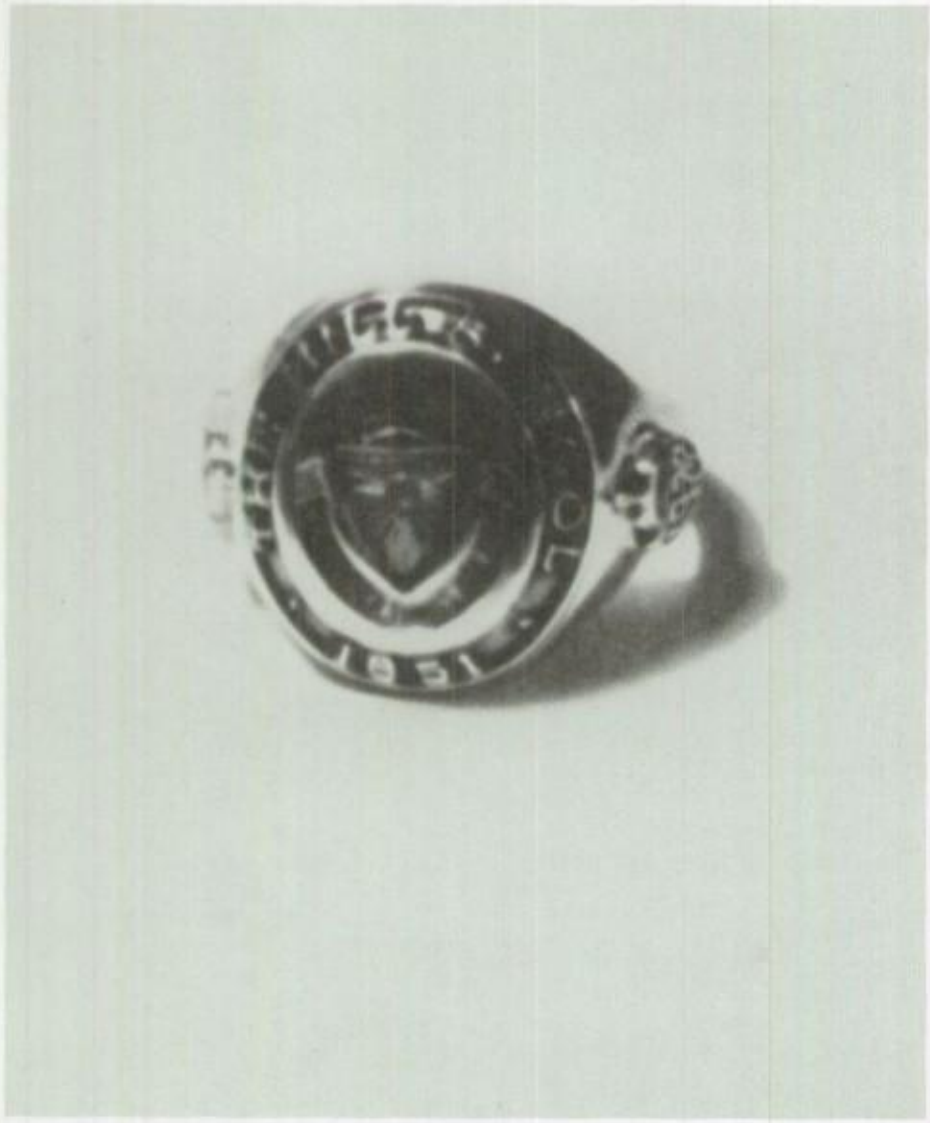


"You there, I see you!"

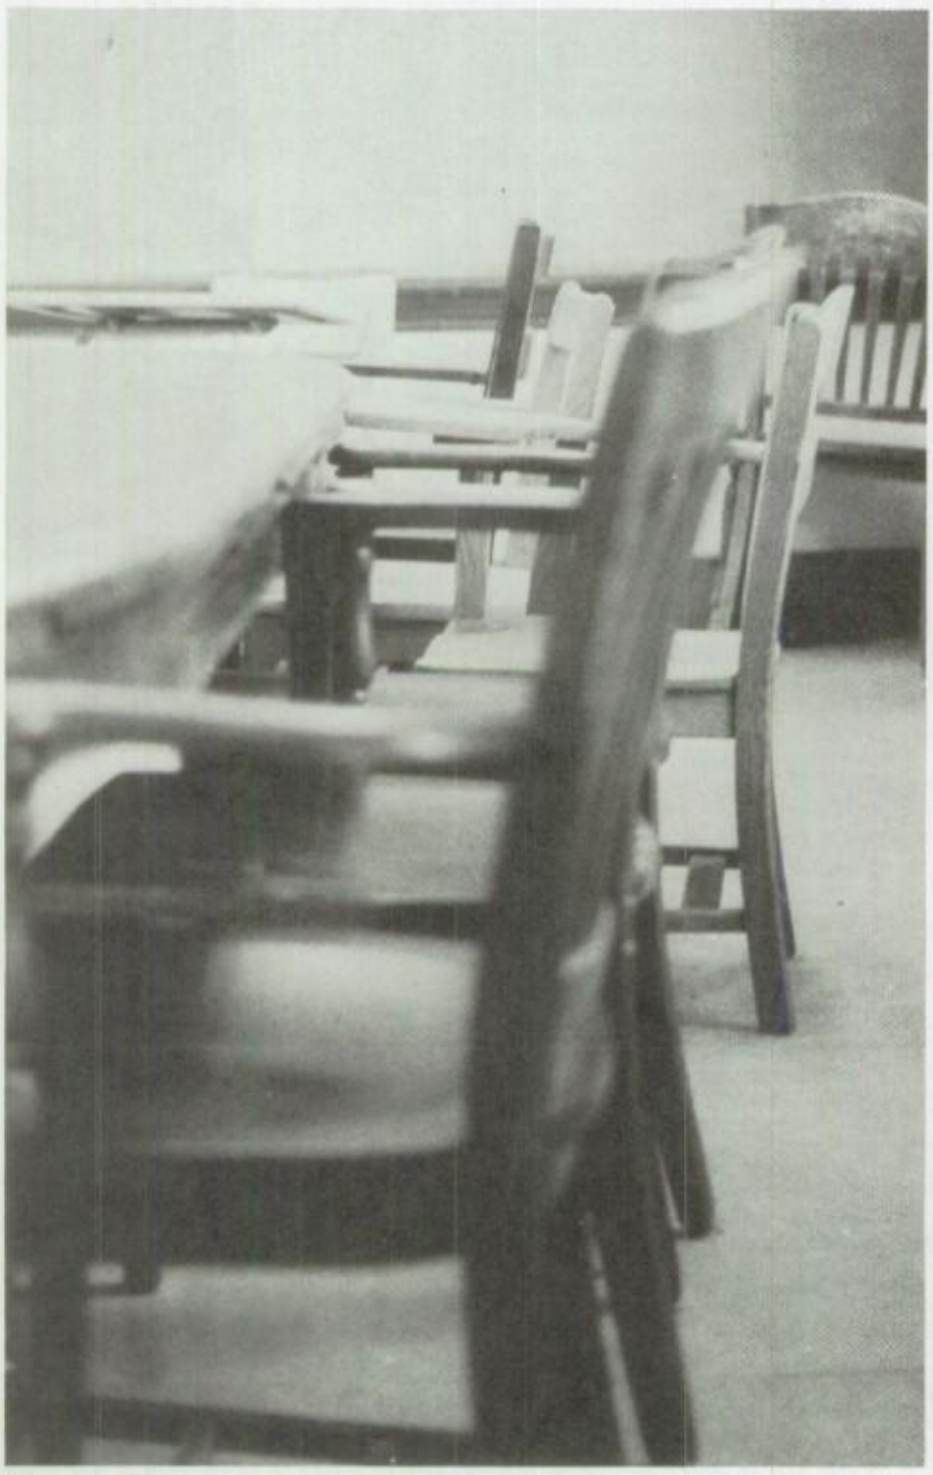


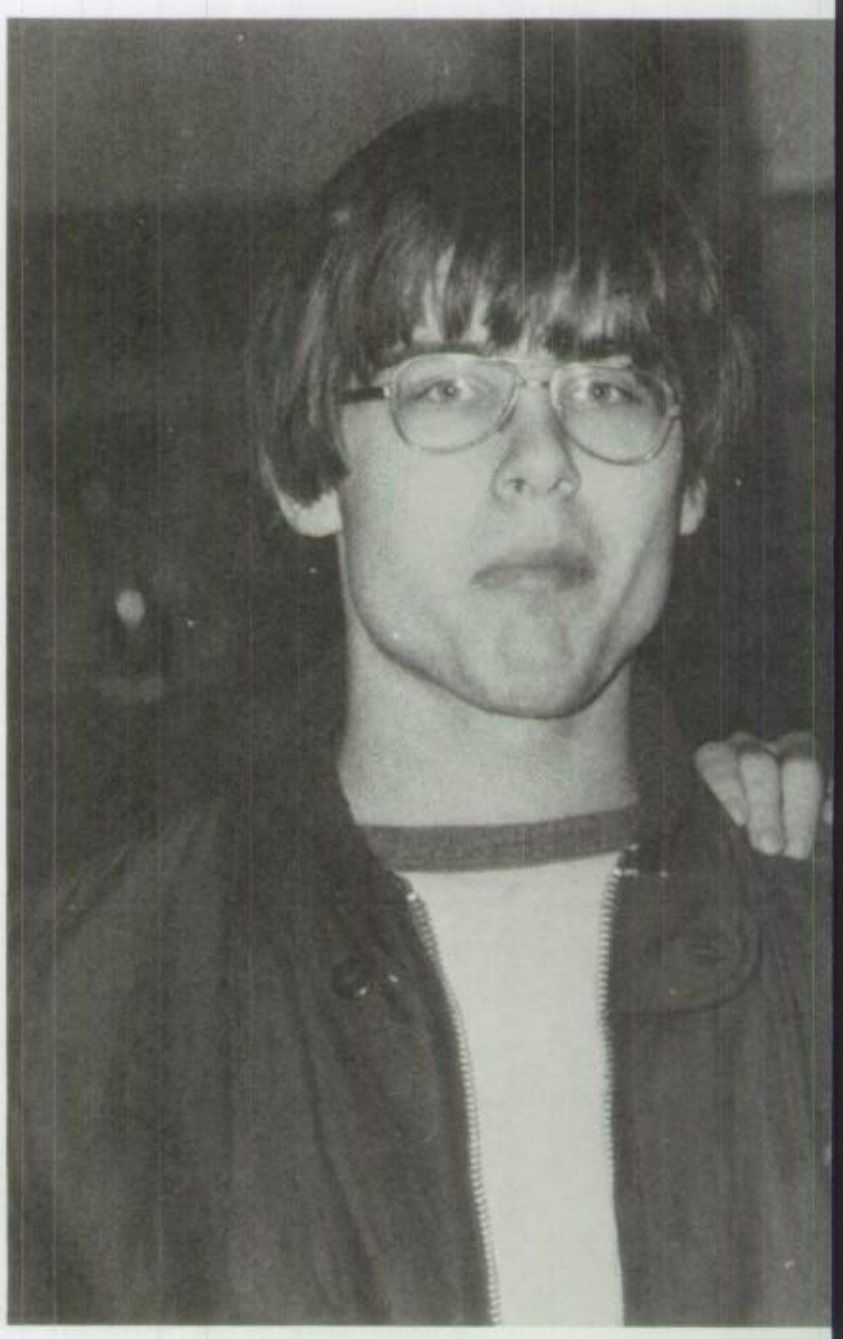
Some prefects have control

In contrast to the life in these dorms, were the lives lead by the 30 of us chosen to serve as Prefects. We spent our time making hall check, curing homesickness, and giving advice, in addition to setting a "fine" example for the students of our hall.



Despite the differences in our life styles, we all shared the same priviledges. How would we ever have gotten by without two class cuts per list, unlimited half weekends, and breakfast cuts? And, of course, college weekends were most useful!





COLLEGE

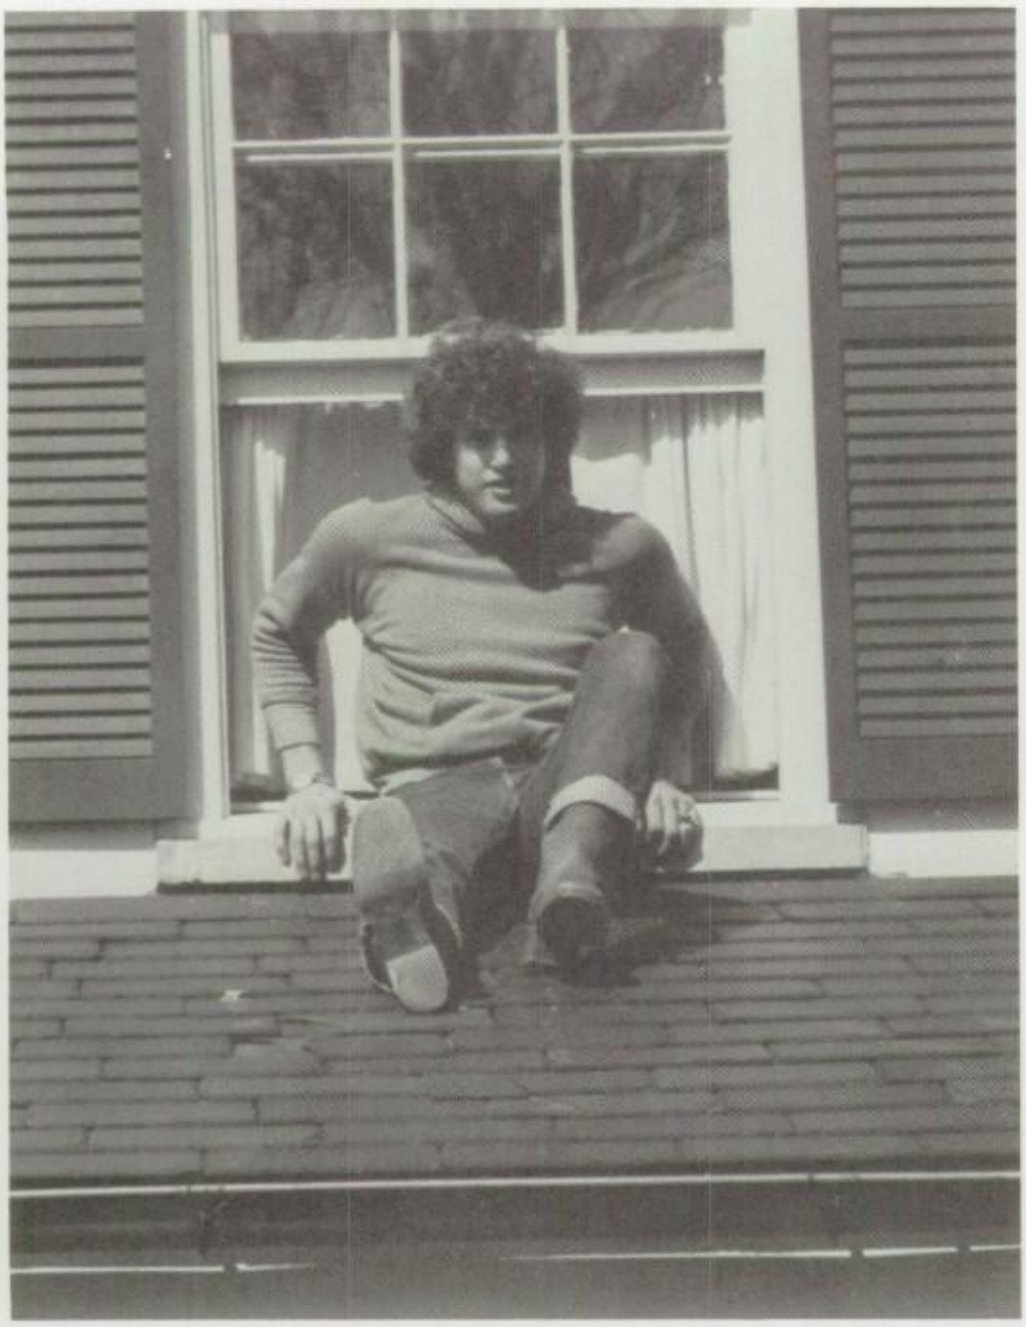
It gives me great pleasure to inform you that you have been accepted by our Admissions Committee for entrance in the Class of 1981 at Davidson. We had a large number of fine applicants and you were selected on the basis of not only your academic qualifications but also your strong recommendations and record of participation in and contribution to the school and community.

Please note carefully the enclosed information.

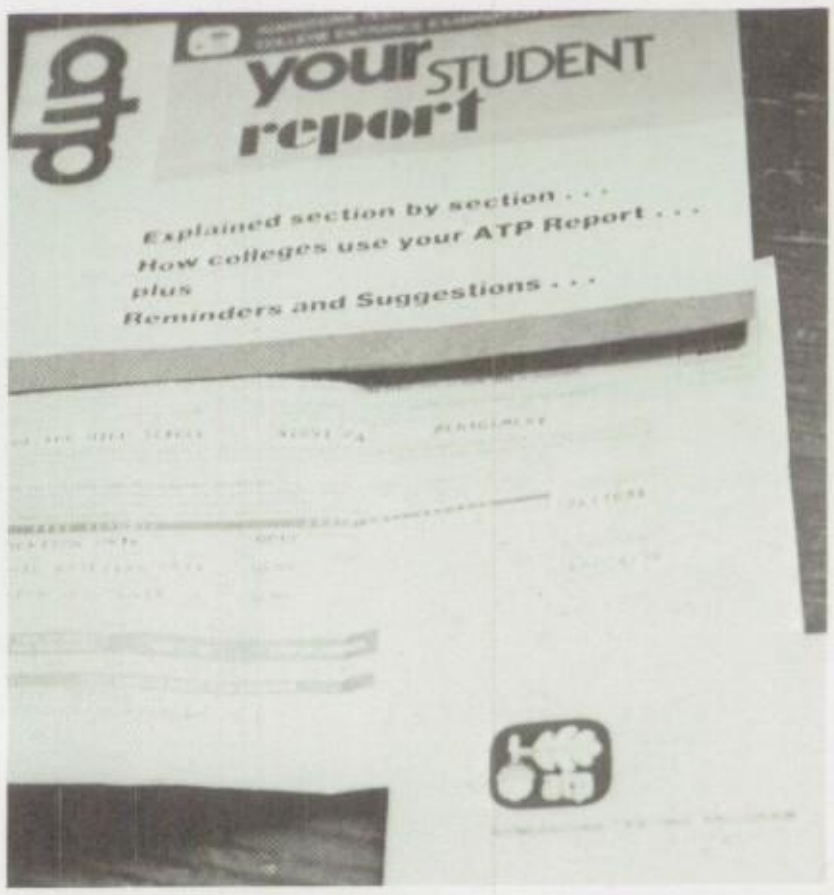
Our regular notification date is April 1, but the Committee has completed the evaluation of your application and some other highly qualified candidates and decided we wanted to notify you early. Your selection is very clear recognition of the exceptional record you have made in a number of areas. We hope this early notification will give you a better opportunity to consider Davidson in a thoughtful and unhurried manner.

Happiness is . . .
being accepted at Michigan

The largest "priviledge" we had might not have been so enjoyable, but it was certainly the most noteable – college admissions. We all spent weeks filing out applications and anxiously awaiting the results. For those of us accepted Early-D, we were the envy of the class and soon relaxed to a leisurely life style.



The Great S.A.T. God



Have I got a college for you . . .

ADMISSIONS

Our peers began to build fantasies upon fantasies about the serpentine admissions process, whereby they imagined small select committees (imbued with divine inspiration, perhaps) reach decisions which determine fates, careers, and lives (according to the fantasies, anyway). In the end, we were all accepted someplace, and we anxiously looked forward to MAY 22 . . .

DIAL STAFF 1977

Jon Burklund, Guy Aiman, Scott Reed, Reid Meintzer, Paul Leary – Copy Editor, Peter Hoff, Tim Quinlan – 6th Form Editor, Barry McRae, Robert Pflieger, Paul Campbell. ABSENT: Mark Scheifly, John Agather, Doug Campbell.

"Now listen guys, I'm serious – where's the ashtray?" These words are very familiar to anyone who has worked on the Dial and heard our faculty advisor utter them while trying to make a point on editorial policy. Mr. Ryckman R. Walbridge has served the Dial for the past three years, ably providing the necessary guidance through some trying times.

During the past year, the Editors have developed a close-knit relationship with the Walbridge family. We would like to thank him for his many trips to the A & P, Little Italy, and McDonalds. Further, we would like to thank his wife for putting up with our late night meetings which constantly awoke their daughter. On Behalf of the school, the Editors would like to extend their thanks to the Walbridges for all they have done toward the publication of this, and past Dials, much of which has gone unnoticed.

RICK ELSER
Editor-in-Chief

Editor's Note

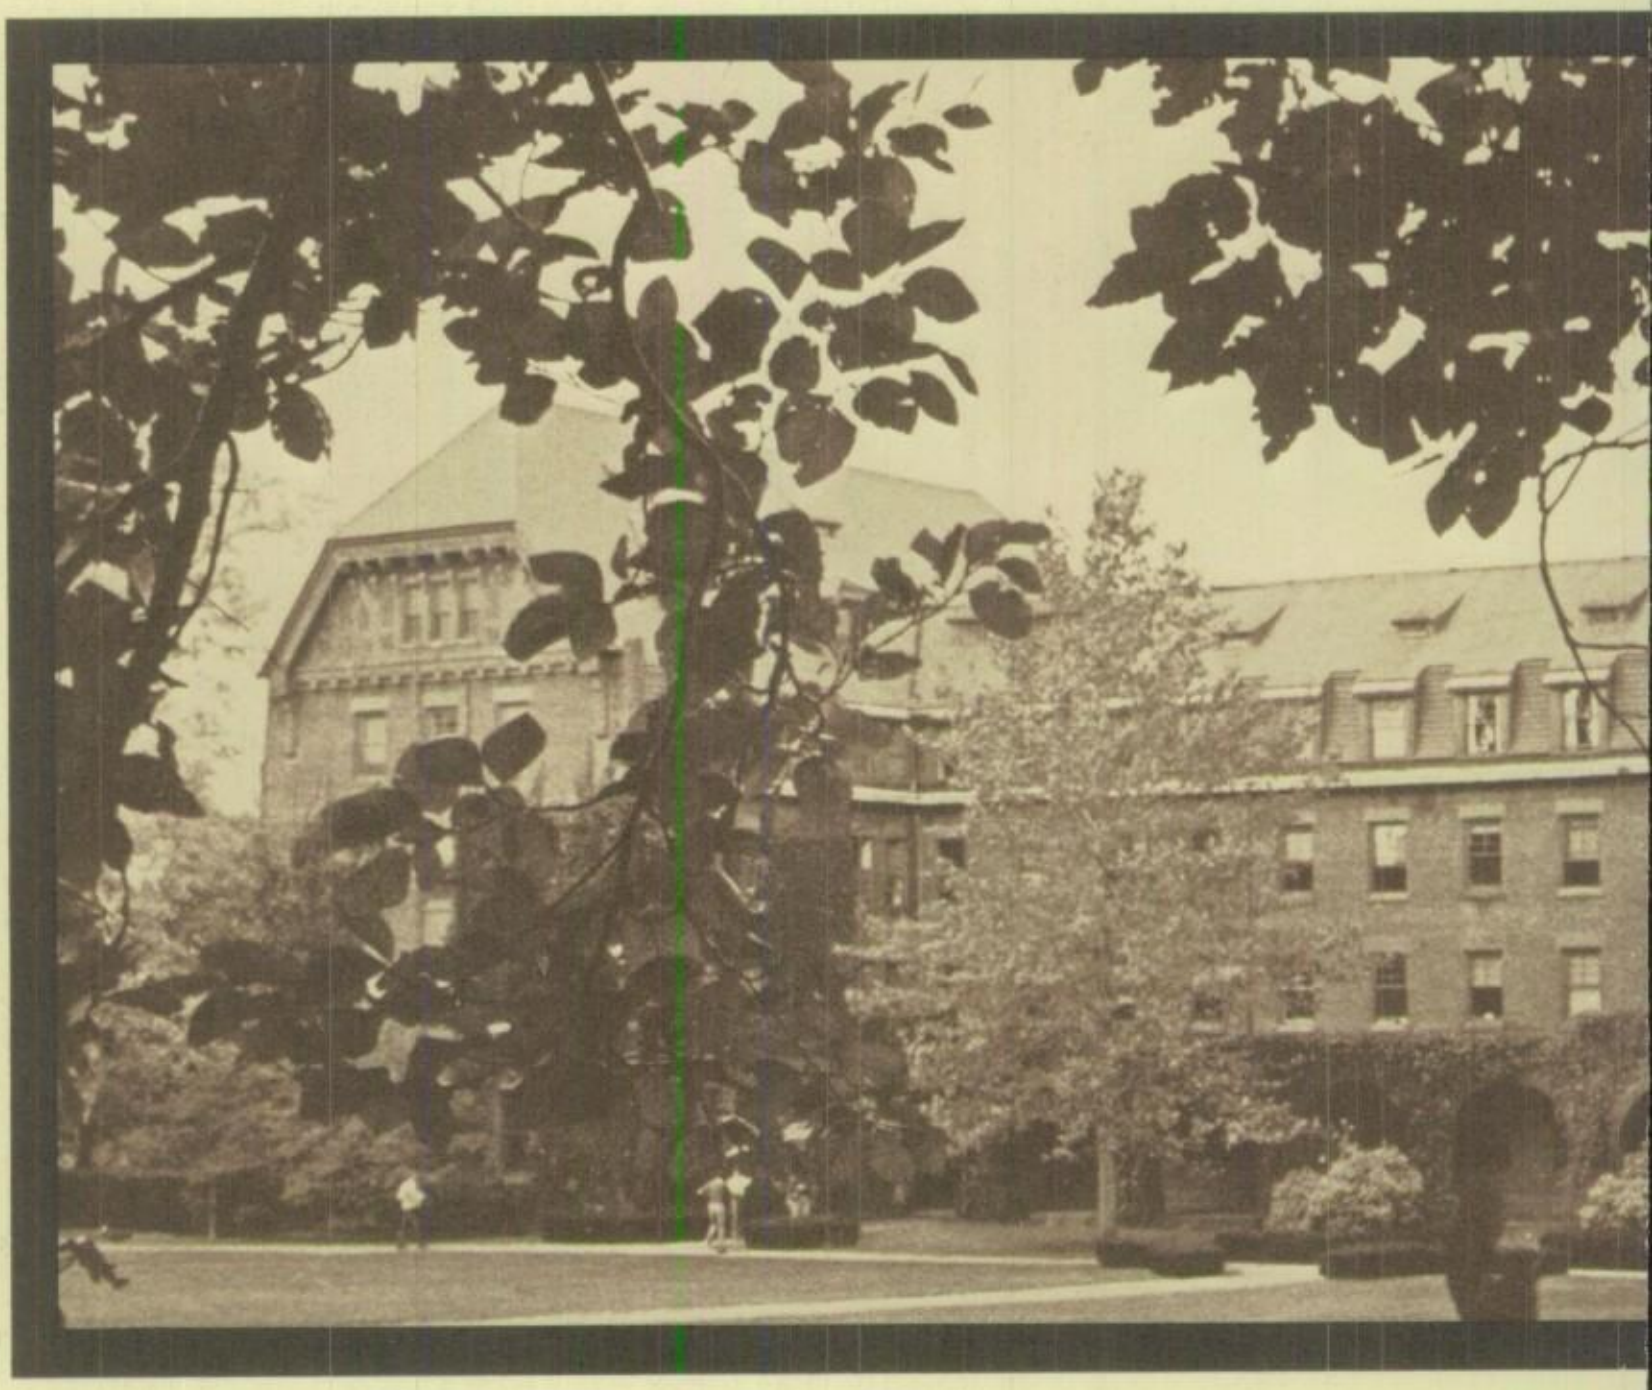
The fact that this letter is now being read indicates that my job as Editor of this book is now completed. It also means that four years of work and three years as an Editor has also come to an end. The job has been great; one that I would not have traded for anything. By far the most rewarding part has been this past year serving as Editor-in-Chief.

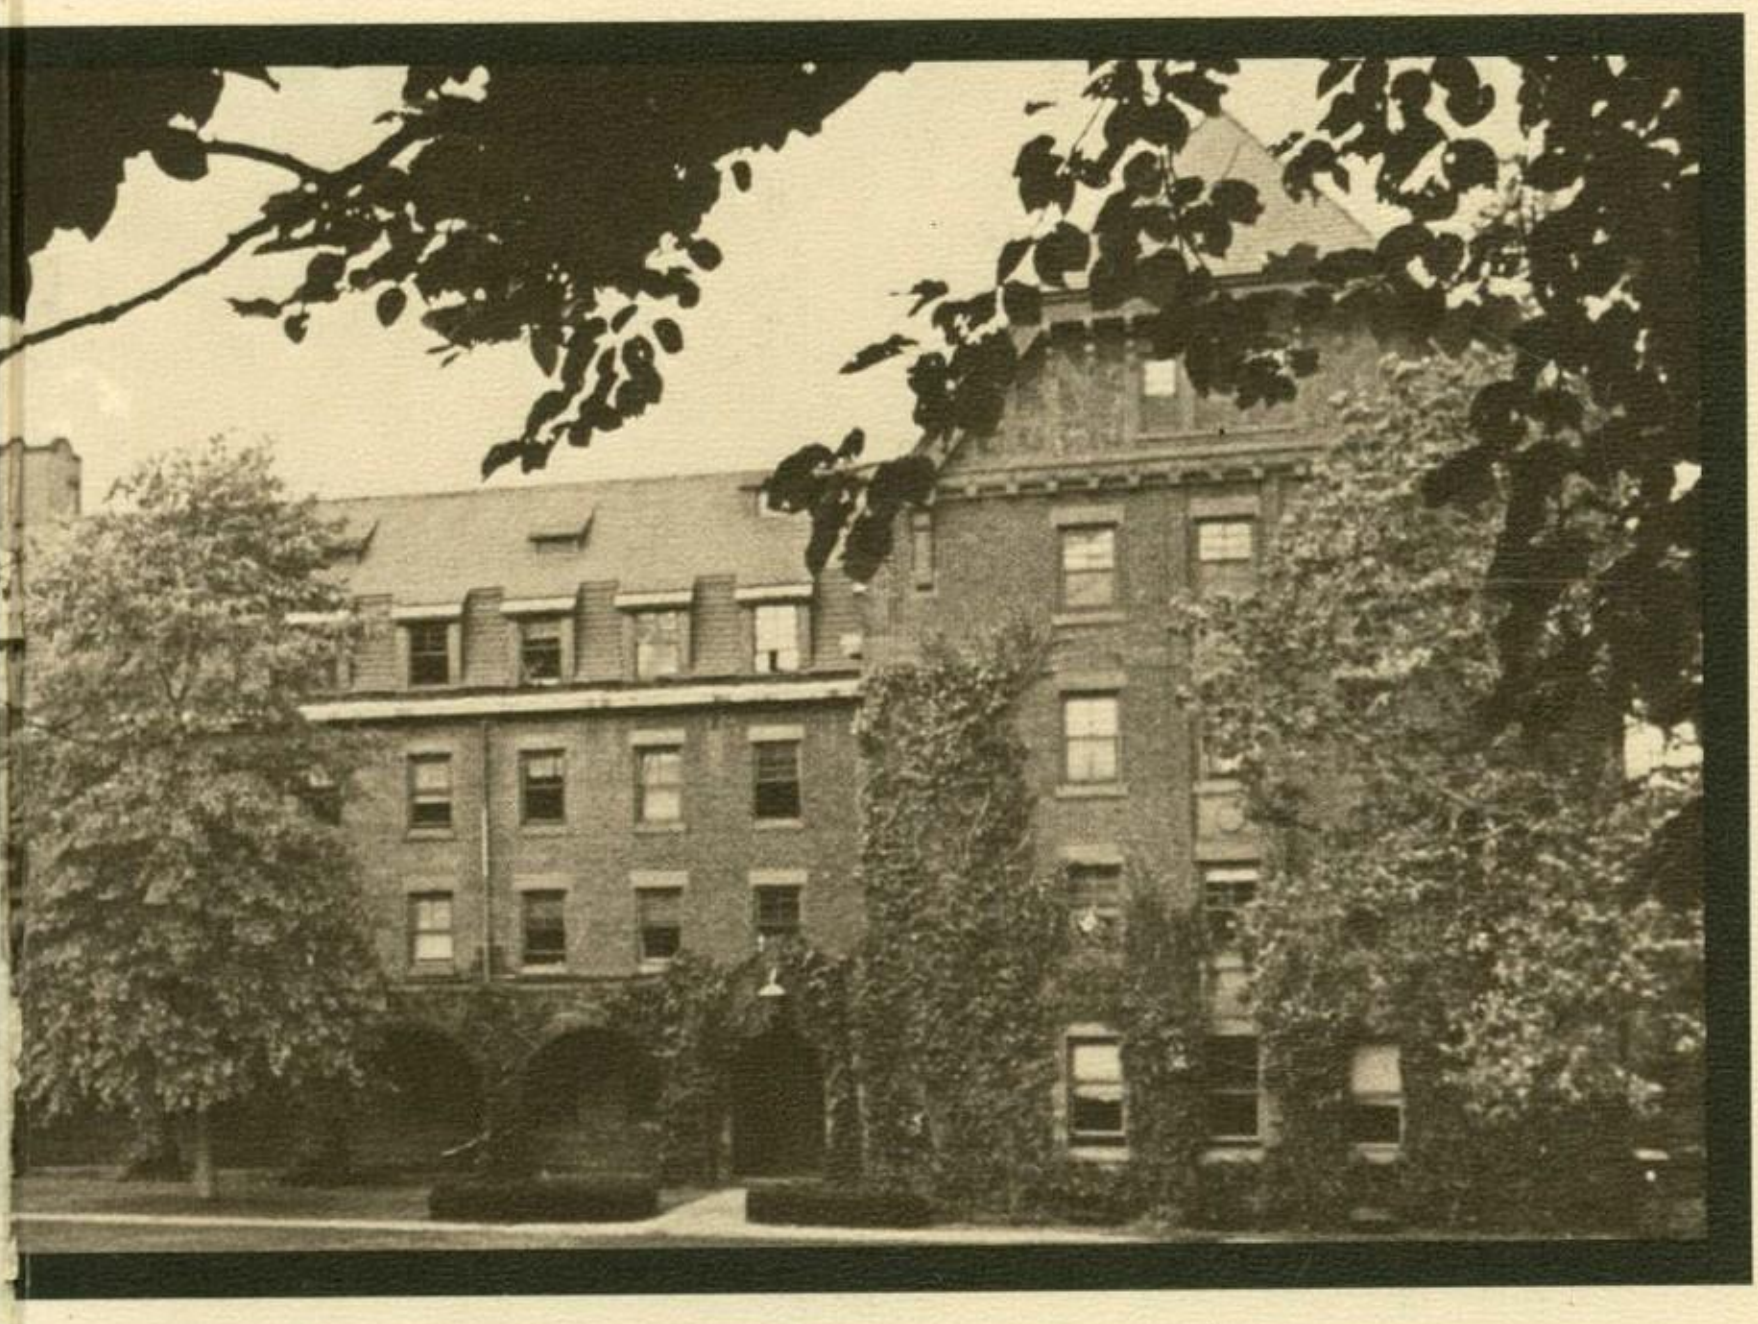
Although being the Editor is a very singular job, and although it is the position that bears the ultimate responsibility for the book, I could not have done it without the support and hard work of the other Editors and staff members. As a Board, we have gone through many ordeals. These have ranged from vandalism and fires to falling ceilings and the everyday confusion which is involved in meeting deadlines. At one point during the turmoil of the early Fall, I came very close to resigning. I would have if they had not given me their unerring support. For this, and for all their other work, I am most thankful.

Despite the problems, the Board has made some remarkable accomplishments. Among them is the fact that every deadline was not only met, but turned in early, and also the fact that the Business Manager raised more money for the book than the past three years combined. Because of this our balance was in the black for the first time in many years.

We have tried to produce a book that is not only a record of the school year 1976-1977, but also a record of the Class of 1977. We have also tried to preserve the memories of the Sixth Form. For the mistakes that do appear in the book, I offer my apologies and take full responsibility.

Sincerely,

H. Richter Elser




H. Richter Elser
Editor-in-Chief
